

**What about my books and supplies?**

books and supplies may be purchased from the ACC Bookstore on-campus or on-line at <http://www.alvincollege.edu/current/collegestore.cfm>.

**How do I learn more about Distance Education?**

Additional information is available at <http://www.alvincollege.edu/Current/DE.cfm>

**Refund Policy**

Refunds will be mailed approximately six weeks after the close of registration. A student's eligibility for a refund is based on these regulations:

- The student must officially withdraw in writing (see Withdrawing from Classes section).
- Withdrawals are dated the day they are received in the Registrar's Office.
- Class-day count begins at 8:00 a.m. on the date identified "Classes Begin" in the Academic Calendar each semester.
- If tuition and fees are paid with financial aid, the refund is applied first to the financial aid source and then to the student.
- Refunds for Title IV grants are made according to the refund schedule available in the Financial Aid Office.

**Refund-Withdrawing from Courses**

Students who withdraw from any or all courses on the days listed below will receive the refund indicated.

**Fall and Spring Semesters:**

Through Late Registration . . . . .	100% refund
2nd through 15th class day of semester term . . . . .	.70% refund
16th through 20th class day of semester term . . . . .	.25% refund
After 20th class day of semester term . . . . .	No refund

**Summer Sessions (5-week classes):**

Through Late Registration . . . . .	100% refund
2nd through 5th class day of semester term . . . . .	.70% refund
5th through 6th class day of semester term . . . . .	.25% refund
After 6th class day of semester term . . . . .	No refund

**Summer Session (11-week classes):**

Through Late Registration . . . . .	100% refund
2nd through 10th class day of semester term . . . . .	.70% refund
11th through 14th class day of semester term . . . . .	.25% refund
After 14th class day of semester term . . . . .	No refund

**Refunds-Schedule Changes**

If students change their schedules and the net result is an increase in tuition and fees, they must pay the difference. If the net result is a decrease in tuition and fees, the refund is based on the refund schedule. If the net result is no change in tuition and fees, there is no charge.

**Academic Classifications**

Academic classification is determined as follows:

- Freshman:** less than 30 semester hours
- Sophomore:** 30 - 60 semester hours
- Unclassified:** more than 60 semester hours

Students are responsible for determining the academic load they can successfully complete during each semester within compliance of college regulations. Hours taken concurrently at another college are included when determining academic load at ACC.

**Full-time Load:**

- Fall and Spring semester - 12 or more semester hours
- Summer 11-Week session - 8 -14 semester hours
- Summer Five-Week session - 4 - 7 semester hours

**NOTE:**

- Students receiving financial aid must meet the credit-hour requirements for their financial aid program.
- Students receiving VA benefits should consult with the VA coordinator to determine enrollment status.
- Students seeking loan deferrals should consult with the Registrar's Office to determine course load requirements.

**Maximum Course Load**

Fall and Spring semester -	18 semester hours
Summer 11-Week session -	14 hours
Summer Five-Week session -	7 semester hours
Combined Summer Five-Week and 11-Week sessions -	14 semester hours
8-Week Mini session -	9 semester hours
3-Week Mini session -	3 semester hours

**Student Overload Policy**

A student may petition to the Dean of Students for additional hours if his/her cumulative grade point average is a 3.0 or higher on a minimum of twelve completed hours and a justification for the increase is documented.

**Tuition and Fees**

Tuition and fees are subject to change without notice by action of the ACC District Board of Regents or the State of Texas. Tuition and fees are based on a student's residence status and the number of hours taken. If a student's residence status changes, the student must go to the Registrar's Office to make corrections before registering for classes. Tuition and fees are charged for each registration: Fall, Spring, Summer One, and Summer Two. Students may not attend classes unless tuition and fees are paid.

**Higher Tuition Charged for Third Attempt Classes**

Most college level courses (excluding developmental) taken at Alvin Community College for the third time since the fall of 2002, will be billed an additional \$58 per credit hour. This includes courses with grades of W (withdrawn).

## Fall 2008 - Spring 2009

Tuition is based upon residency status on file with Alvin Community College Registrar's Office. Alvin Community College may change tuition rates and other fees without notice or when so directed by the Board of Regents.

### Course-Related Fees

Lab fees are charged for various courses to offset expenses for materials and supplies used in classroom instruction and lab assignments. Other fees may be charged for courses such as Internet and TV courses, private music lessons, scuba diving, bowling, etc. These fees vary based upon the course and are subject to change without notice. Current fees are published each semester in the Class Schedule.

### Definitions for Column Headings

- Res-In:** Resident-In District
- Res-Out:** Resident-Out of District
- Non-Res:** Non-resident
- Gen. Svc. Fee:** General Service Fee
- Tech Fee:** Technology Fee
- Reg. Fee:** Registration Fee
- Stu. Serv:** Student Service Fee
- Sec. Fee:** Security Fee

The provision for third attempt charges was passed by the Texas legislature to encourage students to complete the courses for which they register. Student tuition represents only a portion of the total cost of instruction. The remaining comes from state dollars that are paid by Texas taxpayers. Selected courses (listed) are exempt from the repeat charges because they are designed to be repeated for additional credit.

**Courses which are exempt from Third Attempt Charges:**

**Excessive Hours - Early Warning for Students Seeking a Baccalaureate Degree**

Students who graduate from a state supported university may pay a higher tuition rate for taking excessive courses.

In accordance with Texas Education Code: Students who have attempted 45 or more credit hours beyond the amount required for their (baccalaureate) degree at Texas public colleges or universities may be charged additional tuition, up to the level of out-of-state tuition. This includes all credit hours in which a student was registered as of the official census day for the semester (i.e. repeated courses, failed courses, and courses from which the student withdrew after the census day): this does not include credit hours for which the student paid out-of-state tuition, courses designated as developmental, any hours removed from admission consideration under Academic Fresh Start, or hours accumulated toward a previous baccalaureate degree. Students who entered higher education for the first time prior to fall 1999 while classified for tuition purposes as a Texas resident are exempt.

Students enrolling in fall 2006 or later may pay a higher tuition rate if they have attempted 30 or more credit hours beyond the amount required for their degree. (Developmental and technical courses which are not part of the baccalaureate degree plan do not count toward the excell hours, not do any courses taken at a private or out-of-state institution.)

**Excess Developmental Education/Courses**

Students who exceed 27 hours of developmental courses at Alvin Community College will be charged for each course, an additional fee equal to the current out-of-district fee.

**Payment Plan**

Students may opt to pay for fall and spring tuition and fees on the installment plan. This plan allows a student to pay 50% of total tuition and fees at enrollment and the remaining tuition and fees in two equal installments thereafter. The dates of the installments are set by the college. A non refundable \$20 fee is assessed at the time the installment plan is executed. Any student failing to make the 2nd or 3rd installment plan is subject to fines/penalties, withdrawals for non payment and may forfeit credit for courses. If a student is withdrawn for non payment, all tuition, fees, fines and penalties are collected along with a \$100 reinstatement fee before course grades are assigned. Reinstatement may be granted through the end of the following term.

The installment plan is a legally binding contract. Installment plans are available beginning with early registration through late registration. Applications are made through WebAccess.

**Tuition Adjustment for Ad Valorem Tax Payers**

College District property owners and their dependents who are Texas residents and do not physically reside in the district are eligible for a waiver of out-district fees. To qualify for a waiver, a student must prove eligibility by noon on the census date for the given semester by providing an ad valorem tax receipt showing ACC District tax status (available at Brazoria County Substation). If the student is a dependent, the student must provide the parent's IRS 1040 for the previous year and an affidavit of dependency for the current year.

**Tuition Rebate for Baccalaureate Degree**

Senate Bill 1907 provides \$1,000 tuition rebates to undergraduate students who complete their first baccalaureate degree while attempting no more than three credits beyond what is required for the degree. The rebates apply only to students who enroll for the first time in an institution of higher education in Fall 1997 or later. Contact the Office of Admissions and Academic Advising for complete details.

## Tuition Rebate for Early High School Graduation

Students who graduate in three years from a Texas public high school and are Texas residents may be entitled up to \$3,000 in tuition credit for college level courses. The tuition credit can be used in multiple semesters until the full amount is used. Contact your high school counselor for information on how to apply.

## Inclement Weather & Closing of the College

If severe weather or emergency situations make it advisable to discontinue classes, the college will make every effort to notify students through local television, radio stations and the ACC website at [www.alvincollege.edu](http://www.alvincollege.edu) or [www.school-closings.net](http://www.school-closings.net). Make-up days for official college closings will be scheduled as needed.

## HyperAlert

HyperAlert is the Alvin Community College emergency notification system. All students, faculty and staff are encouraged to register and become part of this system. It is designed to quickly warn the college community of possible threats, severe weather and school closings. For more information visit the college website [www.alvincollege.edu](http://www.alvincollege.edu) and view HyperAlert.

## Emergency Student Notification

In case of an emergency, students may be contacted through the Alvin Community College Campus Police Office, 281-756-3700.

## Attendance Policy

Students may not attend classes without completing registration, including payment of all tuition and fees. Students who fail to meet payment deadlines will be withdrawn.

Failure to attend class sections for which the student is officially registered will result in a failing (F) grade. (Also see sections on Schedule Changes and Withdrawing from Classes.)

Regular attendance in classes is expected. If an absence is unavoidable, the student is responsible for completing all work missed during the absence. Any work missed and not subsequently completed will affect the grade of the student regardless of the reason for the absence.

Students who are enrolled in developmental courses because of TSI requirements must attend classes and participate in instructional activities. Failure to attend and participate could result in being dropped from all classes. Students unable to attend should contact their instructors as soon as possible concerning the absence.

## Denial/Suspension/Revocation of Admission

### Limitation on Classes/Attendance

The College may deny, suspend, or revoke the admission of a student, and/or may limit the ability of a student to take certain classes or be present on campus at anytime if there is evidence that the student's admission, continued admission, or presence on campus may pose a safety threat to the safety of the student, other students, the faculty/staff of the College, or College property.

The decision to deny, suspend or revoke admission or to limit classes or presence on campus will be made by the College President or designee in his sole discretion based on written and/or oral evidence.

The student will have an opportunity to respond to the evidence in a conference with the College President or designee.

## Classroom Conduct

Instructors are authorized to establish rules of conduct within the classroom. He/she has the right to suspend a student from class whenever the behavior is believed to be disruptive or inappropriate.

## Cell Phones and Pagers

Cell phones and other electronic devices are prohibited. Violators are subject to disciplinary action as outlined in the Alvin Community College Student Handbook and Alvin Community College Procedures Manual.

## Children in Class / Unattended Minors

The college wishes to promote an educational environment that optimizes learning for all enrolled students. Infants and minor children are not allowed in the classroom, laboratories, or other facilities of the college. Children who are participating in official college events are welcome. For child welfare and security reasons, unattended children are not permitted to be left anywhere on campus.

## Withdrawing from Classes

It is recommended that a student talk to the instructor before withdrawing. The procedure begins in the Registrar's Office. *Students CAN NOT drop classes online - WebACCess does not process course withdrawals once registration has ended.* The student must take the form to the Financial Aid Office and to the Office of Admissions and Academic Advising by the published deadline. Failure to withdraw in writing will result in a failing grade. All withdrawals must be consistent with TSI policies.

If a student cannot withdraw in person, a request may be mailed to the Office of Admissions and Academic Advising or faxed to 281-756-3843. Include name, student ID number, course number(s), phone number where you can be reached and signature. Confirm receipt of the faxed withdrawal at 281-756-3531.

Withdrawing from classes may affect a student's enrollment in other courses, insurance eligibility, and eligibility for financial aid and/or veterans benefits for **both current recipients and future applicants**. Therefore, before withdrawing, students are advised to:

- review insurance policies regarding college attendance requirements (usually applies to students carried on parents' health/insurance plans) and/or
- consult with the Financial Aid Office and/or
- consult with the Veterans Coordinator.

### Military Service Policy for Withdrawals

Any student who is called into active military service, upon presentation of military orders, may request through the Dean of Student Services the following:

- Institutional refund of the tuition and fees paid for the semester of the withdrawal;
- Receive an incomplete grade in all courses by designating

- "withdrawn-military" on the student's transcript, or;
- As determined by the instructor, receive an appropriate final grade or credit if the student has satisfactorily completed a substantial amount of course work and who has demonstrated sufficient mastery of the course material.

There will be no penalty assessed to students receiving any form of financial aid.

#### Grades for Withdrawals

Courses dropped on or before the census date each semester are not recorded on the student's transcript. Course withdrawals received in the Office of Admissions and Academic Advising after the census date and before the withdrawal deadline for each semester are recorded on the student's transcript with the grade of W.

### Course Drop Limit Provisions

Beginning Fall 2007, all first-year students enrolled for the first time at any Texas public college or university are limited to six course drops during their academic career. Students may not drop more than six courses regardless of how many institutions attended, how many courses taken or how many years attended. This policy does not apply to courses dropped prior to census day, complete withdrawals from all courses for the semester, courses taken while attending high school, developmental courses, drops from private or out of state institutions, and courses dropped during the Three Week Mini term. Drops beyond the maximum of six will be allowed for students who can show good cause for dropping more, including severe illness, active duty military service, or work obligations beyond the student's control. Students who feel they have good cause for an exception should discuss their reasons with a counselor or advisor. Exceptions are granted by the Academic and Technical Deans. Students are encouraged to discuss options with their professors and advisors and to make use of campus resources before deciding to drop a course. Once the six course drop limit has been reached, subsequent drops will be recorded with grades of F. Drops included in the limit will be recorded on the student transcript.

### Grades for Repeated Courses

If a student repeats a course in which a grade (A-F) has been received, the highest grade received is the permanent grade for the course and is used in computing the cumulative grade point average. However, all grades earned in a given course are entered on the transcript, and other colleges may compute the grade point average in a manner different from that of Alvin Community College.

### Grading

#### GRADE-POINT VALUE

- A Excellent – Four grade points per semester hour
  - B Good – Three grade points per semester hour
  - C Average – Two grade points per semester hour
  - D Poor – One grade point per semester hour
  - F Failure – No grade points per semester hour
  - AU Audit – Grade points not assigned
  - I Incomplete – Grade points not assigned
- An I may be awarded when the instructor determines that minimal work on the part of the student and the instructor will complete the course requirements. An I grade not changed by the instructor to a grade of completion (A, B, C, D, or F) by the end of the following semester (December, May,

August) will automatically be changed to an F. An instructor may extend an Incomplete grade deadline for one additional semester by submitting an **Incomplete Grade Extension** form to the Registrar's Office. If a valid grade change is not submitted by the new deadline, the system will convert the Incomplete grade to an F.

- IP In Progress – Grade points not assigned  
An IP is a temporary notation that appears on a student's official transcript. It indicates semester hours in progress.
- R Re-enroll – Grade points not assigned  
The R grade is used with all court reporting machine shorthand courses, CRTR 2331 and developmental courses when the student is making academic progress but needs additional instruction to master the material. Also, students who receive a D or F in a nursing RNSG course with a related clinical component will receive the "R" grade in the corresponding course. The student must, if eligible, re-enroll in both the theory and clinical sections of that course.
- S Satisfactory – Grade points not assigned  
The S grade is used only for noncourse-based developmental instruction and nontraditional education.
- U Unsatisfactory – Grade points not assigned  
The U grade is used only for noncourse-based developmental instruction.
- W Withdrawn – Grade points not assigned  
Students who file withdrawal requests by the published deadline will receive a W grade. Instructors may not issue a W as the final grade.

#### Calculation of Grade Points

Grade points earned are calculated by multiplying the semester hour value of a course attempted at Alvin Community College by the grade point value of the grade received in the course for grades of A, B, C, D or F. The grades of AU, I, IP, R, S, and W have no point value and are not included in any grade point calculation. Example: 3-semester-hour course graded A produces 12 grade points.

### Grade Point Averages

**Cumulative Grade Point Average** is computed by dividing the total grade points earned by the total semester hours for all courses attempted at Alvin Community College including developmental courses. However, if a course is repeated, only the highest grade is used in calculating the cumulative grade point average. Cumulative GPA's are not rounded up.

**Semester Grade Point Average** is computed by dividing the total semester grade points earned by the total semester hours in all courses attempted at Alvin Community College for the semester. Semester GPA's are not rounded up.

**Graduation Grade Point Average** is computed by dividing the total semester grade points earned by the total semester hours for all courses required for a particular certificate or degree. If a course is repeated, only the highest grade will be used. This calculation is used to determine the minimum GPA graduation standard of 2.0 for each degree awarded. This GPA is not posted to a student transcript. Graduation GPA's are not rounded up.

**Grade Range**

As a general guide, the following letter grades are assigned for percentage grades:

Grade	Range
A	90-100
B	80-89
C	70-79
D	60-69
F	Less than 60

Exceptions to this grading system may exist and are published in the Student Information Plan distributed in class.

**Grade Reporting**

Grades are assigned by instructors and may be based on several factors such as class and/or laboratory performance, test scores, departmental academic requirements, and attendance. Instructors' grading requirements are included in the Student Information Plan (SIP) distributed in class.

Grades are available to students by the following means:

- Transcripts provided by the Registrar's Office
- Online through WebACCess at [www.alvincollege.edu](http://www.alvincollege.edu)

**Grade Challenge Petition**

Students have one year from date of assignment to challenge a grade.

Grade change requests begin with the course instructor and must be approved by the instructor and the Division Chair or Dean of Technical Programs or Dean of Academic Programs.

A student who wishes to challenge a course grade must first discuss the matter with the instructor. If no resolution is reached and the student wishes to pursue the challenge, a written appeal must be presented to the Department or Division Chair. Further appeals will be directed through the appropriate Division Chair, the Dean of Technical Programs and/or the Dean of Academic Programs, and the Academic Affairs committee. The decision of the Academic Affairs Committee is final.

**Academic Honors****Presidential Scholar**

Presidential scholars are selected during the spring term. A student may receive the honor one time only. To be designated a Presidential Scholar, a student must have:

- Completed 45 college-level semester hours at Alvin Community College, excluding sports and human performance activity credits,
- completed 18 of the 45 semester hours in university-transfer courses, excluding sports and human performance activity credits,
- earned a 3.90 grade point average on all college-level courses taken at ACC,
- no grade below a B on any course taken at ACC, and
- completed at least 12 college-level semester hours at ACC during the previous calendar year.
- No record or pending charges of disciplinary action or academic dishonesty.

**Dean's List**

Through the Dean's List, the College honors the scholastic achievement of full-time students. Issued each fall and spring semester, it contains the names of all students who have earned 12 or more resident, college-level semester hours during the semester with a minimum 3.50 grade-point average with no grade lower than a C. Resident college-level courses exclude credit-by-exam, nontraditional, transfer and developmental courses.

**Merit List**

Through the Merit List, the College honors the scholastic achievement of part-time students. Issued each fall and spring semester, it contains the names of all students who have earned 7-11 resident college-level semester hours during the semester with a minimum 3.50 grade-point average with no F or U grades. Resident college-level courses exclude credit-by-exam, nontraditional, transfer and developmental courses.

**Academic Suspension/Probation**

The concept of academic suspension or academic dismissal based on grade point average alone is contrary to the College's philosophy. However, students who do not make satisfactory progress in the following curriculums will be subject to removal from the curriculum:

Court Reporting  
 Diagnostic Cardiovascular Sonography  
 Law Enforcement Academy  
 Law Enforcement In-Service Training  
 Nursing  
 Nursing - Transition  
 Respiratory Care  
 Vocational Nursing

See the requirements for each curriculum in the Educational Programs section of this catalog.

Students are placed on academic probation when they fail to maintain at least a 2.0 cumulative grade-point average (GPA) on a minimum of 6 semester hours. The probation stands until the cumulative GPA is raised to 2.0 or higher. The maximum course load for students on academic probation is 13 credit hours.

Students receiving financial aid will be given a Satisfactory Progress Form to identify the requirements they must meet to continue receiving financial aid each semester.

**Name or Address Change**

Students are responsible for maintaining current personal information in their ACC file by completing a Student Data Change Request Form in the Registrar's Office. Personal information includes such items as name, address, telephone number, and emergency contact. Any communication mailed to the name and address on file is considered delivered. The Registrar's Office will place a restriction on a student's records if the Post Office returns the student's mail because of an incorrect address or if the student cannot be reached at the phone number reported.

## Challenge to Accuracy of Records

Students who desire to challenge the accuracy of their records must present their request in writing to the Registrar. Forms are available in the Registrar's Office.

## Records Restriction

A restriction will be placed on a student's records for an incorrect address or an outstanding obligation, such as required documents, unreturned library books, traffic violation, child care expenses and financial aid or business obligation. The restriction may prohibit the student from future registration, releasing his records (transcript) for any purpose, and graduation. The Registrar's Office will assist the student in determining the office which placed the restriction. The student must go to the appropriate department (i.e., library, college police, etc.) to clear the obligation.

## Transcript Requests

Students may request official transcripts by completing the Request for Transcript Service form in the Registrar's Office or by letter or fax, (281) 756-3834. The letter or fax must include the student's name at the time of last attendance, current name, social security number, date of birth, approximate date of last attendance, and signature. Phone requests are accepted when the transcript is to be mailed to another college or university; call (281) 756-3502. All requests must provide a complete address to which the transcript is to be sent. Online requests may be made at [www.alvincollege.edu](http://www.alvincollege.edu).

Except for peak operational periods, transcripts are provided within 24 hours of receipt of the request. There is no charge for transcripts sent by regular, first-class mail or electronically. Express transcript service is provided when pre-paid and arranged for by the student. Students must contact the express service for rates and procedures.

## Student Grievance Procedure

Students who have a grievance not covered by other sections of this catalog should first discuss the matter with the individual concerned. If the student wishes to pursue the matter, he must present his grievance in writing to the department chair or program director. If necessary, the grievance will then be directed through the appropriate division chair to the Dean of Instruction, Student and Community Services and the Academic Affairs Committee. If the matter is still unresolved, the student may request through the President, a hearing before the Board of Regents.

## Graduation

### Commencement Ceremony

All graduates are encouraged to participate in the Commencement Ceremony. ACC conducts one Commencement Ceremony each year in May for fall, spring and summer graduates. Students participating in the ceremony must purchase a cap and gown through the ACC College Store by the published deadline.

### Graduation Requirements

The College may award a degree or certificate when a student has completed the requirements. To receive a diploma for the degree

or certificate, a student must apply for graduation in the Registrar's Office. Deadlines and fees for graduation are published in the semester class schedule.

To graduate at ACC, a student must:

1. complete 24 college-level semester hours in residence at Alvin Community College for an associate degree; complete 12 college-level semester hours in residence for a certificate. In either program, at least half the hours in residence must be the student's major. Semester hours granted for nontraditional education, including credit by examination, do not apply toward hours in residence required for graduation.
2. earn a minimum 2.0 grade point average in courses completed which apply to the student's particular degree or certificate.
3. file an application for graduation with the Registrar's Office by the published deadline.
4. resolve all financial obligations to the College and return all borrowed materials including library books. Students who fail to resolve such obligations will have a restriction placed on their records, prohibiting graduation.

If a graduation applicant does not fulfill degree or certificate requirements in the designated semester, the applicant must reapply and pay for the updated diploma.

### Graduation Under A Particular Catalog

To graduate, students must complete the requirements of the ACC Catalog in effect at the time a degree or certificate program is elected. Degree or certificate program election is normally accomplished during the admission process. To change an election, a new degree or certificate plan must be filed with the Registrar's Office. Students who interrupt their studies at Alvin Community College for more than four consecutive semesters (fall, spring, summer 1 and summer 2) must meet the requirements of the catalog under which they are readmitted. Students have the option of moving to the current catalog year while staying with the same degree and/or certificate program.

### Transfer Graduation Policy

Former Alvin Community College students may graduate under the AAT, AA or AS degree plan and catalog year that was on file at the time they transferred to another college/university if:

- the remaining credits were completed at an accredited college or university.
- the credit was completed within three years from the date of last attendance at ACC.
- the student has met all remaining conditions for graduation as published in the institutional catalog.

### Course Substitution

Semester credit hours and core academic requirements for a degree or certificate will not be waived. Substitutions for other requirements must be approved by the appropriate department chair, division chair and dean. Application for substitution may be initiated through the Office of Admissions and Academic Advising, department chair or Registrar's Office.

**Graduation with Honors GPA**

Degree candidates whose grade point average at Alvin Community College is 3.5 or higher will receive honors recognition at graduation. The grade point average includes all credit hours completed in residence at ACC (excluding developmental courses and court reporting grades of R) and all grades for repeated courses.

Appropriate scholastic honors are recorded on the student's transcript and diploma as follows:

- 3.5 grade point average - Cum Laude (with honors)
- 3.7 grade point average - Magna Cum Laude (with high honors)
- 3.9 grade point average - Summa Cum Laude (with highest honors)

**Educational Guarantee****Programs – Transfer Credit**

Alvin Community College hereby guarantees to students who have graduated with the Associate of Arts or Associate of Science degree in May 1993 and thereafter that the course credits earned as part of these degree programs will transfer to those Texas colleges or universities which participate in the Texas Common Course Numbering System provided the following conditions have been met:

1. Transferability means acceptance of credit toward a specific major and degree. Courses must be identified by the receiving university as transferable and applicable in the Texas Common Course Numbering System Guide.
2. Limitation on total number of credits accepted in transfer, grades required, relevant grade point average, and duration of transferability apply as stated in the general undergraduate catalog of the receiving institution.
3. Only college-level courses with Community College General Academic Course Guide Manual approved numbers are included in this guarantee.
4. To be eligible for the guarantee, the student must file a written transfer plan with the Office of Admissions and Academic Advising.

The transfer plan must include:

- courses to be taken for transfer,
- the name of the institution to which the student plans to transfer,
- the bachelor's degree and major the student plans to pursue,
- the date the decision was made, and
- an Associate in Arts or Associate of Science degree plan.

If all of the above conditions are met and a course or courses are not accepted by a receiving institution in transfer, the student must notify the Dean of Instruction, Student and Community Services within ten (10) days of notice of transfer credit denial so that a "Transfer Dispute Resolution" process can be initiated.

Alvin Community College guarantees that if course denial is not resolved, the College will offer the student tuition-free alternate

courses, semester hour for semester hour (not to exceed twelve semester hours) which are acceptable to the receiving institution. This guarantee will be good for a one-year period from the granting of a degree by Alvin Community College. The student is responsible for payment of any fees, books or other course related expenses.

This guarantee is designed specifically for those ACC students who have made firm decisions about their major and the institution to which they plan to transfer. In order to secure such a guarantee, students must begin the process in the ACC Office of Admissions and Academic Advising. This guarantee does not apply when degree requirements set by some universities vary significantly from ACC's degree programs.

**Technical Programs – Competent Job Skills**

Alvin Community College hereby guarantees that recipients of an Associate of Applied Science degree or certificate of completion will have the job skills for entry-level employment in the occupational field for which the student has been trained. If such a degree or certificate recipient is judged by the employer to be lacking in technical job skills (identified as exit competencies for the specific program by ACC), the recipient will be provided up to nine (9) tuition-free credit hours of additional skill training. The following special conditions apply to this guarantee:

1. The student must have earned the Associate of Applied Science degree or certificate as of May 1993 or thereafter in a technical or occupational program listed in ACC's catalog.
2. The student must complete the program within four (4) years prior to the date of graduation and earn, as a minimum, 75% of the credits at ACC.
3. The student must be employed full time within six (6) months of graduation in an occupation directly related to the specific program completed at ACC.
4. The employer must certify in writing that the student lacks the entry-level skills identified by ACC as program exit competencies and must specify the areas of deficiency within ninety (90) days of the student's initial employment.
5. Upon receipt of the employer's written notice, an educational plan for retraining will be developed by the Dean of Technical Programs and other appropriate personnel.
6. Retraining will be limited to nine (9) credit hours related to the identified skill deficiency and to those classes regularly scheduled during the period covered by the retraining plan.
7. All retraining must be completed within a calendar year from the time the educational plan is agreed upon.
8. The student and/or employee is responsible for the cost of books, insurance, uniforms, fees and other course related expenses.
9. The guarantee does not imply that ACC graduates will pass any licensing or qualifying examination for a particular career.
10. A student's sole remedy against ACC and its employees for skill deficiencies shall be limited to nine tuition-free credit hours under conditions described above.

## Degrees & Certificates

Developmental courses may not be used to fulfill the requirements for a degree or certificate.

### THE ASSOCIATE OF ARTS (AA) DEGREE:

- Art
- Drama
- General Liberal Arts
- General Studies
- Music-Instrumental Concentration
- Music-Voice Concentration
- Musical Theater
- Psychology
- Sociology
- Sports and Human Performance

### THE ASSOCIATE OF ARTS IN TEACHING (AAT) DEGREE

The AAT is designed to provide a set of courses within the Teacher Certification areas which will fully transfer to any public college or university in the State of Texas that offers educator preparation programs. Specific Teaching tracks include: Early Childhood - Grade 4; Grades 4-8; EC-12 Bilingual and Special Education; and 8-12. The transfer student must meet the admission requirements from the accepting college or institution.

### THE ASSOCIATE OF SCIENCE (AS) DEGREE:

- Biological Science
- Business Administration
- Communications/Radio and Television Broadcasting
- Health Science
- Mathematics
- Physical Science

### THE ASSOCIATE OF APPLIED SCIENCE (AAS) DEGREE:

- Business Technology - Legal Office Professional
- Business Technology - Medical Office Professional
- Business Technology - Office Professional
- Child Development/Early Childhood
- Communications-Radio/TV Broadcasting
- Computer Science - Computer Programming
- Computer Science - Networking
- Court Reporting
- Criminal Justice-Correctional Science
- Criminal Justice-Law Enforcement & Police Administration
- Culinary Arts
- Diagnostic Cardiovascular Sonography-Echo
- Diagnostic Cardiovascular Non/Invasive Vascular
- Drafting Technology
- Emergency Medical Technology
- Management Development
- Mental Health / Addiction Counseling

### THE ASSOCIATE OF APPLIED SCIENCE (AAS) DEGREE (CONTINUED)

- Nursing
- Nursing Transition
- Paralegal
- Polysomnography
- Process Technology
- Respiratory Care

### THE ASSOCIATE OF APPLIED SCIENCE (AAS) DEGREE

#### WITH ENHANCED SKILLS CERTIFICATE:

- Court Reporting
- Emergency Medical Technology
- Diagnostic Cardiovascular Sonography
- Polysomnography

### THE CERTIFICATES:

- Business Technology - Accounting Clerk
- Business Technology - Legal Office Assistant
- Business Technology - Medical Coding & Billing Specialist
- Business Technology - Office Assistant
- Child Development/Early Childhood
- Child Development/Early Childhood Administration
- Communications-Radio/TV Broadcasting
- Computer Science-Data Processing
- Computer Science-Networking
- Court Reporting
- Court Reporting Scopist
- Criminal Justice-Correctional Administration
- Criminal Justice-Correctional Science
- Criminal Justice-Crime Scene Technician
- Criminal Justice-Basic Law Enforcement Academy
- Criminal Justice-Texas Peace Officer
- Culinary Arts
- Culinary Management
- Drafting Technology
- Emergency Medical Technology
- Management Development
- Mental Health / Addiction Counseling
- Paralegal
- Process Technology
- Vocational Nursing

### SECOND DEGREE OR CERTIFICATE

Alvin Community College grants credit for all previously completed courses which also meet the requirements of an additional degree or certificate.

U.S. AIR FORCE

## ROTC - Reserve Officer Training Corp

(CONTINUED)

### AIR FORCE

The Air Force Reserve Officer Training (ROTC) program prepares men and women of character, commitment, and courage to assume leadership positions as commissioned officers in the active duty United States Air Force. Upon completion of the curriculum, students will have a thorough understanding of the core values, leadership, teamwork, and other requirements to be an effective officer in the world's greatest Air Force. For more information on the Air Force Science program, contact the Air Force Science Department at the University of Houston by calling 713-743-4932 or on-line at [www.uh.edu/afrotc](http://www.uh.edu/afrotc).

All courses and physical training sessions take place at the University of Houston Main Campus. Flight orientation occurs at airports in the Houston metro area.

Community College students are required to complete a four-year academic plan detailing the courses they will take to complete a four-year degree and specifying when they will graduate. This will require them to meet with a counselor at one of our four-year cross-town schools listed below. This requirement ensures that two-year students plan on transferring to a four-year school to finish our program.

#### Course Credit

ROTC classes may be taken for elective credit toward any degree plan at Alvin Community College and will also transfer to any four-year institution that participates in Air Force ROTC. The following four-year schools currently participate in our program: University of Houston, University of Houston-Downtown, Rice University, Texas Southern University, The University of St. Thomas, The University of Texas Health Science Center at Houston, and Houston Baptist University. Freshman and sophomore level classes are open to all students. No military obligation is incurred as a result of enrollment in these courses. Junior and senior level courses are more restrictive and do require a military obligation. ROTC scholarship students also incur a military obligation.

#### Four-Year Program

The General Military Course (GMC) is the first half of the four year ROTC program and is taken during the freshman and sophomore years. This program allows the student to experience Air Force ROTC without obligation (unless the student is on an Air Force ROTC scholarship). Each semester of the GMC consists of one classroom hour of instruction as well as Leadership Laboratory each week.

#### AFROTC Scholarship Opportunities

Air Force ROTC offers various scholarship opportunities for students at Alvin Community College: For additional information on AFROTC scholarship opportunities, please visit the AFROTC website at [www.afrotc.com](http://www.afrotc.com) or call 1-800-4AFROTC.

### ARMY

The goal of the U.S. Army ROTC program is to develop technically competent, physically fit and highly motivated men and women for positions of responsibility as commissioned officers in the active Army, the Army Reserve and Army National Guard. Upon completion of the curriculum, students will have an understanding of the fundamental concepts and principles of the military as an art and as a science. The leadership and managerial experience gained through ROTC provides great benefit for students in both their civilian endeavors and their military careers.

General statutory authority for establishment and operation of the ROTC program, including the scholarship program, is contained in Title 10, United States Code, Chapter 103 (Sec. 2102-2111). Specific rules and procedures are found in U.S. Army Regulation 145-1.

#### Course Credit

ROTC classes may be taken for elective credit toward any degree plan at Alvin Community College. Freshman and sophomore level classes are open to all students, regardless of age or physical condition. No military obligation is incurred as a result of enrollment in these courses.

For additional information contact the Enrollment Officer at University of Houston 713-743-3880

Academic Policies

## The Associate Of Arts (AA) Degree

The goal of the U.S. Army ROTC program is to develop technically competent, physically fit and highly motivated men and women for positions of responsibility as commissioned officers in the active Army, the Army Reserve and Army National Guard. Upon completion of the curriculum, students will have an understanding of the fundamental concepts and principles of the military as an art and a science. The leadership and managerial experience gained through ROTC provides great benefit for students in both their civilian endeavors and their military careers.

General studies and AA requirements are completed during the ROTC program, including the scholarship program. Contact information: United States Global Campus (602) 402-1113. Specific rules and regulations are found in U.S. Army Regulation 145-10. Contact: Army ROTC, 145-10.

## ARMY

U.S. AIR FORCE

## The Associate Of Applied Science (AAS) Degree

The Air Force Reserve Officer Training (AFROTC) program prepares men and women of character, commitment, and courage to assume leadership positions as commissioned officers in the active duty United States Air Force. Upon completion of the curriculum, students will have a thorough understanding of the core values, leadership, teamwork, and other requirements to be an effective officer in the world's greatest Air Force. For more information on the Air Force Reserve Officer Training program, contact the Air Force ROTC Department at the University of Houston by calling 281-293-1032 or on-line at [www.afrotc.com](http://www.afrotc.com). All courses and physical training sessions take place at the University of Houston Main Campus. Flight orientation occurs at various locations in the Houston metro area. Community College students are required to complete a four-year academic plan detailing the courses they will take to complete a Bachelor's degree.

University of Texas Health Science Center at Houston, and Houston Baptist University. Residency and sophomore level courses are open to all students. No military obligation is incurred as a result of enrollment in these courses. Junior and senior level courses are more restrictive and do require a military obligation. ROTC scholarship students also incur a military obligation.

## Four-Year Program

The General Military Course (GMC) is the first half of the four-year ROTC program and is taken during the freshman and sophomore years. The program allows the student to experience Air Force ROTC without obligation (unless the student is on an Air Force ROTC scholarship). Each semester of the GMC consists of one classroom hour of instruction as well as Leadership Laboratory each week.

## Second Degree On-Campus

AFROTC offers various scholarship opportunities for students at various Community Colleges. For additional information on AFROTC scholarship opportunities, please visit the AFROTC website at [www.afrotc.com](http://www.afrotc.com) or call 1-800-4AFROTC.

## Office of Admissions and Academic Advising

The first step in a person's collegiate career is going through the admissions and advising process. The staff in the Office of Admissions and Academic Advising works to ensure that this first step is thorough and that areas of concern are addressed. All first-time in college students are required to meet with a counselor or academic advisor prior to their first registration. Once admitted, students are encouraged to maintain contact with the college counselors and advisors. Academic advising services provided include:

- Assistance for undecided students in selecting a program of study
- Interpretation of TSI or approved placement test scores
- Assistance with the registration process
- Assistance with course selection
- Transfer information for those who plan to attend another institution of higher education
- Orientation to college services and resources
- Assistance with the career planning process
- Assistance with college study skills

## Counseling Services

The Office of Admissions, Academic Advising and Testing employs counselors who can assist students with issues that may impact academic success. Consultation and referrals are kept confidential. An exception to confidentiality is if there is evidence of danger to oneself or others then the proper authorities will be notified. Texas state law requires that Licensed Professional Counselors report abuse or neglect of a child, elder or a disabled person to the appropriate state agency.

Other counseling services include referrals to community resources, academic and disability counseling and advising, career counseling, career assessments, crisis intervention, short-term personal counseling, and study skill training and enhancement.

Because the College strongly believes that the abuse of alcohol and drugs affects a person's ability to meet educational goals, the College offers a program of drug education/prevention for the benefit of students and staff.

## Career Services

A variety of services and formats are available which utilize a process of self-assessment (testing), career exploration and information gathering. In targeting a specific goal, individuals can explore career preparation, possible routes of training and gaining education, attainment of marketable skills and career management. Individuals who need to decide or clarify a major, and individuals who need to identify new job possibilities, are highly encouraged to make use of this service.

The Career Planning Program can help define and explore career options which are compatible with an individual's personal goals, abilities, and interests. It includes two online assessments you can do at home. Completion of a workbook and individual career counseling sessions are required to develop an action plan. For

more information about this program contact the Academic Advising and Testing Office.

### Other Career Services

- Advisors and Counselors can assist individuals in making the transition from college to career using a variety of resources.
- Choices is a career planning program which includes an interest inventory, descriptions of occupations, labor market information, financial aid information and more.
- Typefocus is a personality typing program which matches results to occupations.
- Workshops are available for resume and cover letter writing, interview preparation and tapping the hidden job market.

## Job Placement

### Job Fairs and Career Events

The Career Services staff coordinates job fairs and career expos. For more information about these events call 281-756-3560 or 281-756-3534. Information regarding upcoming job fairs and career expos are posted on the two bulletin boards located in buildings A and G at Alvin Community College and in the college's employment database, JobLink.

### JobLink - Job Database

Students and alumni of all college and continuing education programs can register and access an online job database, JobLink. This is a free service and is accessible 24/7. Local, regional, national employers and college departments register and post jobs daily seeking to fill part-time, full-time, internship, work-study and temporary positions. Access to JobLink will require a resume within two weeks. Many of these employment opportunities are related to degree plans offered at Alvin Community College. Registered students and alumni have the ability to post multiple resumes and cover letters for employers to view, search jobs, send online inquiries, locate job fair information, and receive employment bulletins. To access JobLink go to [www.alvincollege.edu](http://www.alvincollege.edu) and click on Current Students, click on Career Planning and Job Placement Services, and then Student/Alumni services. For questions or assistance regarding JobLink call 281-756-3560.

Alvin Community College makes no particular recommendations or guarantees regarding employers or employees. We are acting as a referral service only. Thus, we are unable to research each organization or person that posts a job with the college.

### Employers Services

Employers may list their current job openings in the college employment database, JobLink. Access to JobLink is located on the Alvin Community college webpage. There is no fee for this service. To post a job go to [www.alvincollege.edu](http://www.alvincollege.edu) click on Community, click on Career Services and Employers Services. Once a job posting is approved by Career Services, students and alumni will have access

to the information about the company and their current employment opportunities. If a student or graduate chooses, registered employers can print out their resumes or contact Career Services for a packet of resumes. Other employer services include job fairs and career expos and on-campus recruitment by appointment. For information about job fairs and career expos contact 281-756-3560. All jobs posted in JobLink are approved and viewed by compliance with federal laws enforced by the U.S. Equal Employment Opportunity (EEO) Commission.

### New Student Orientation Requirements

The Office of Admissions and Academic Advising coordinates New Student Orientation. Students who are attending college for the first time, as well as those who are new to ACC, will benefit from the information presented in this program. **Orientation is required for all first time college students.** Orientation must be completed during the first semester of attendance. Orientation may be completed through either of the following formats:

- Web based program found on the college home page
- Attend New Student Orientation held prior to the beginning of the fall and spring terms

### Psyc 1300 - Learning Strategies Requirement

Students who score at the developmental level on all three sections of the placement exam (Accuplacer, THEA, Compass, or Asset) are required to enroll in PSYC 1300 during their first semester of attendance. A grade of C must be earned to satisfy this requirement. If a C is not earned, the student must retake the course.

Learning Strategies teaches students how learning takes place and provides opportunities to practice various learning and study strategies. Students will be able to identify their own strengths and weaknesses and apply the skills that are taught to maximize their success in college.

### Honors Program

The Alvin Community College Honors Program offers highly motivated, academically exceptional students the opportunity to enrich their intellectual experience by exploring subject areas in greater depth. In exchange for accepting additional responsibility, students receive greater individual attention from their instructors and a high level of intellectual stimulation. Students who qualify for the program may choose from the following courses:

BIOL	1406-1407
ENGL	1301-1302
GEOL	1403-1404
GOVT	2301-2302
HIST	1301-1302
MATH	2413-2414
PHYS	1401-1402
PSYC	2301

*Honors Credit may be received for additional classes if approval is granted by both the course instructor and the Honors Committee. Admission to the Honors Program is available to full and part time students who meet at least two of the following criteria:*

- ACT composite score of 26 or higher
- SAT combined score of 1100 or higher

- Graduated in top 10% of high school class
- GPA of 3.5 or higher on a minimum of 12 semester hours excluding developmental courses
- Recommendation(s) from ACC instructor(s)
- Individual approval based on personal interview with the Honors Committee

To earn Honors Program Graduate status, a student must have at least a 3.0 grade point average on all college-level courses, including all attempts of repeated courses, must complete a minimum of 12 semester hours of honors courses, and must earn a grade of B or higher in all honors courses taken. For more information, call 281-756-3736.

### SMART START PROGRAM - College Enrollment for High School Students

The Smart Start Program is designed for high school students who want to get a head start on their college program. In many cases, students may receive dual credit. Dual credit allows students to earn both high school and college credit for the college course.

#### Steps to Enroll:

1. Meet with a H.S. counselor to determine eligibility for the Dual Credit Program.
2. Take a TSI approved exam or be exempt from TSI requirements.
3. Obtain a passing score on an approved exam in the subject or area related to the college-level course to be taken.
4. Complete the Early Admission contract, available from high school counselors.
5. Complete the ACC Admission Application.
6. Provide an official high school transcript.
7. Meet with an academic advisor.
8. Students less than Junior year standing must obtain the approval of ACC's Dean of Academic Programs.
9. Register for college classes.

Students are restricted to six semester hours in the fall and spring and 14 in the combined summer terms. Students requesting enrollment in more than two courses in the fall or spring semesters must attain the approval of the high school principal and ACC's Dean of ROTC Reserve Officer Training Corp

### Dual Degree Program

To help students get a jump start on a college education, Alvin Independent School District and Alvin Community College will offer qualified students the opportunity to earn a high school diploma and an Associate of Arts degree at the same time. Participating students will be able to enter a Texas state supported university as a college junior. The Dual Degree Program is a rigorous program that will require extra time and dedication to academic study. Interested students should contact their high school counselor or Alvin Community College, Office of Admissions and Academic Advising (281/756-3531). Information is also available at [www.alvincollege.edu](http://www.alvincollege.edu) or [www.alvinisd.net](http://www.alvinisd.net)

## Services for Students with Disabilities

Alvin Community College complies with the ADA and Section 504 of the Rehabilitation Act by making reasonable accommodations for qualified students with disabilities. Students requesting accommodations due to a qualifying disability should make an appointment with the ADA Counselor at least 60 days prior to the beginning of the semester. Services provided are based on fundamental limitations reported in documentation.

Resources regarding transition, documentation guidelines and ODS forms can be found on the Alvin Community College web site under the Office of Disability Services.

Information and assistance is available by calling 281-756-3531, TTY 281-756-3845 or e-mailing [ODS@alvincollege.edu](mailto:ODS@alvincollege.edu).

## Department of Assistive and Rehabilitative Services and Texas Commission for the Blind

Students with disabilities which constitute a substantial barrier to employment may qualify for vocational rehabilitation services. The Department of Assistive and Rehabilitative Services (DARS) and the DARS - Blind Division provide tuition assistance, diagnostic testing and counseling for eligible individuals. Prospective DARS students should contact the nearest DARS office at least six weeks prior to college registration to discuss eligibility and vocational objectives. Call first to set up an appointment. For phone numbers, call the Office of Admissions and Academic Advising at 281-756-3531. For contact information go to the ACC website which links to these agencies.

## Upward Bound Program

Upward Bound is a year-round federally funded program that provides college preparation skills to highly motivated students in grades 9-11. Students selected for the program receive tutoring, financial aid information, ACT/SAT preparation, study skills, exposure to college and university life and a summer activity program. Participant selection is based on many factors such as family income, teacher recommendations, test scores, grades and personal interviews. Contact the Upward Bound Program Director for details, 281-756-3849.

## Financial Aid

The student financial aid program at Alvin Community College provides financial assistance to students who otherwise would be unable to attend college. Although the College constantly seeks additional support for student loans, scholarships and grants, funds are limited in some of these areas.

Financial aid is awarded in the form of grants, scholarships, loans and jobs according to financial need, academic grades, and academic load. A student's personal and family resources are considered in determining the student's financial need.

Students who apply for financial aid must:

- complete the Free Application for Federal Student Aid (FAFSA) online at [www.FAFSA.com](http://www.FAFSA.com)

- complete all requirements for admission to the College, including providing academic transcripts from previous colleges attended;
- choose a major (degree or certificate);
- complete the college's application for financial aid and provide financial aid transcripts from previous colleges attended; and

Students must apply for financial aid online and submit a new application for re-evaluation each year. Application should be made as soon as family income tax information is available and as early in the year as possible. Deadlines are published in class schedules. Application forms and additional information are available in the Enrollment Services Center. All information provided to this office remains confidential.

The Financial Aid Office will determine if a student's academic progress has preserved his eligibility for financial assistance. In addition, financial aid recipients who need developmental courses must also be enrolled in at least one college level course.

All tuition and fees must be paid in full before a student may attend classes. Therefore, if a student's financial aid is not available when tuition payment is due, the student is personally responsible for tuition and fees. Thus, students needing financial assistance should apply to the Financial Aid Office early in order to satisfy deadlines.

## Federal Assistance Programs

**Federal Pell Grant:** This grant makes funds available to eligible undergraduate students who are enrolled at least half-time. All students who desire to participate in this program must submit an application. Students will receive a Student Aid Report (SAR) which must be submitted to the Financial Aid Office for consideration for Pell and other types of aid.

**Federal Supplemental Educational Opportunity Grants:** Supplemental Educational Opportunity Grants are awarded to students with financial need. Although these funds are limited, students applying for the Federal Pell Grant will automatically be considered for this program.

**Federal Work-Study Program:** This program provides on-campus employment for students who qualify on the basis of financial need. To be considered for employment under this program, the student must first apply for the Pell Grant, be enrolled at least half-time, and show a need for the earnings to pay for college expenses.

**Federal Family Education Loan Program:** This loan program permits students to obtain low-interest loans from private lending agencies. The process is begun by applying for a Pell Grant. Eligibility requirements include, but are not limited to, need. If a student is otherwise eligible, the Financial Aid Officer can certify the loan application. These loans are normally made through banks, credit unions, or savings and loan associations who participate in the program.

### Return of Federal Title IV Funds:

Alvin Community College returns unearned funds received from Federal student assistance programs to the proper program accounts or lenders in accordance with Federal Title IV student assistance

regulations, as amended, under 34CFR, section 668.22 (d) of the Reauthorization of the Higher Education Act of 1965, with rules of the Texas Higher Education Coordination Board, and with board policies.

The student receiving assistance from Federal Title IV programs is required to complete a minimum number of hours for which assistance was received. If the student completely withdraws from school during the semester, or quits attending, but fails to officially withdraw, the student may be required to return the unearned part of the funds which were received to help pay educational expenses for the semester. Liability for return of Federal Title IV funds will be determined according to the following guidelines:

1. If the student remains enrolled and attends class beyond the 60% mark of the semester in which aid is received, all federal aid is considered earned and not subject to this policy.
2. If the student completely withdraws from all classes before completing 60% of the semester, a pro-rated portion of the federal aid received must be returned to the federal aid programs equal to the percentage of the semester remaining.
3. If the student does not officially withdraw classes, and stops attending all classes, a prorated portion of the federal aid received, based on the documented last date of attendance, must be returned to the federal aid programs. If the college is unable to document the last date of attendance, one-half of all federal aid received during the semester must be returned to the federal aid programs.
4. If the student fails to earn a passing grade in any of their classes.

Return of Federal Title IV funds will be distributed according to statutory regulations. Worksheets provided by the U.S. Department of Education will be used to determine the amounts and order of return. If a student's share of the return amount exists, the student will be notified and allowed 45 days from the date of determination to return the funds to the Business Office of the college for deposit into the federal programs accounts. If the student does not return the amount owed within the 45 day period, the amount of overpayment will be reported to the U.S. Department of Education (USDE) via the National Student Loan Database (NSLDS) and the student will be referred to the USDE for resolution of the debt.

## Federal Satisfactory Progress Guidelines

Federal regulations require standards of satisfactory progress for students who receive federal funds. NOTE: Even if a student has not yet applied for financial aid or has applied but is not receiving aid, these regulations will affect the student's future eligibility for aid. Standards of satisfactory progress require (1) qualitative and (2) quantitative measures and must include (3) the "maximum time frame" in which students must complete their certificate or degree program. Students must meet all three standards defined below to maintain their financial aid at Alvin Community College.

1. **Qualitative Standard**
  - a. Students awarded for 12 semester hours must pass at

least 9 hours with at least a 2.0 grade point average (GPA).

- b. Students awarded for 6, 7, 8, 9, 10, or 11 semester hours must pass at least 6 hours with at least a 2.0 GPA.
- c. Students making a ZERO GPA will automatically be placed on financial aid suspension.

After students have completed two years of studies, they must maintain a cumulative GPA of 2.0 or better. As long as the cumulative GPA is 2.0 or better, the semester GPA may be less than 2.0 but may not be a ZERO GPA. Two years is defined as a total of four fall or spring semesters.

## 2. Quantitative Standard

Students must successfully complete (see 1 above) at least 6 semester hours each semester of enrollment. This standard must be met even if no financial aid funds are used to pay for the tuition and fees. For financial aid purposes, Summer 1 and Summer 2 sessions combined are considered one semester. Therefore, students may take six semester hours in Summer 1, or six semester hours in Summer 2, or three semester hours in each session and satisfy the Quantitative Standard.

## 3. "Maximum Time Frame" Standard

Students must complete their certificate or degree by attempting no more than 150% of the semester hours required for that certificate or degree. Example: If a student is working toward an associate degree which requires 66 semester hours; he/she must complete all requirements for the degree in 99 attempted semester hours or less. Incompletes, withdrawals/drops, repeated and developmental courses, and all transfer credits will be counted in calculating the number of attempted semester hours.

For more information about federal satisfactory progress standards or to obtain a copy, contact The Financial Aid Office.

## State Assistance Programs

**Texas Public Education Grants:** State legislation has made grant funds available to students with financial need. Although these funds are limited, students applying for other financial aid will automatically be considered for this program.

**State Student Incentive Grant:** All eligible students may be considered for this grant program, which is based on financial need. Although these funds are limited, students applying for other financial aid will automatically be considered for this program.

**Hazlewood Act:** The Hazlewood Act is an act of Texas legislation. It provides exemption of payment for tuition and certain fees for Texas veterans at state-supported colleges and universities who present proof of the following:

1. residency in Texas at the time of entry into the military,
2. receipt of an honorable or under honorable conditions discharge,
3. service time of 180 days of active duty (excluding training time), and
4. residency in Texas for a minimum of 12 months prior to college registration.

Effective with the Fall 1995 semester, eligible veterans are limited to 150 attempted semester credit hours of eligibility using the Hazlewood benefit. Eligibility is determined from an original or certified copy of the veteran's DD214. Veterans who have been discharged within the past ten years must also present a letter from the Department of Veteran's Affairs stating that the veteran is not eligible to receive benefits under the Montgomery GI Bill.

Application for Hazlewood benefits is made through the Registrar's Office. Applicants should begin the application process at least two months prior to registration to establish eligibility. Hazlewood students must obtain a Tuition Exemption Form from the Registrar's Office before the census date of each semester to receive benefits. Census dates are published in class schedules. Students in default on an educational loan are not eligible to receive the Hazlewood exemption.

## Other Assistance Programs

**Workforce Investment Act of 1998:** The Houston-Galveston Area Council, through the WorkSource in the Gulf Coast area, provides tuition, fees, books, career counseling, and other services related to employment. To determine eligibility, individuals should contact the nearest WorkSource office. Phone numbers for the WorkSource may be obtained by calling 281/585-3303.

**Athletic Grants-in-Aid:** For information on athletic grants-in-aid, contact the Athletic Director.

**Departmental Academic Scholarships:** These competitive scholarships are provided to qualified students in:

- Art
- Business Administration
- Business Technology
- Cardiovascular
- Child Development/Early Childhood
- Communications
- Computer Science
- Court Reporting
- Criminal Justice
- Drafting Technology
- English
- Foreign Languages
- Law Enforcement
- Math
- Management Development
- Mental Health
- Music
- Nursing-ADN
- Paralegal
- Process Technology
- Respiratory Care
- Social Science
- Science
- Vocational Nursing

Interested students should contact the chairperson of the appropriate department. For information about additional scholarships contact the Financial Aid Office or go to the college website [www.alvincollege.edu](http://www.alvincollege.edu).

## Veterans Administration Benefits

Alvin Community College has been approved for VA educational training. Prospective students who are veterans or eligible veterans' dependents should contact either the VA Regional Office or the Veterans Benefits Counselor in the ACC Office of Admissions and Academic Advising for applications and information. Students are encouraged to apply for benefits online at [www.gibill.va.gov](http://www.gibill.va.gov). VA recipients are expected to comply with standards of academic progress listed below. VA certification is not an automatic process; veterans must request certification each semester.

### Standards Of Academic Progress For Students Receiving VA Benefits

**Satisfactory Progress:** Maintaining a cumulative grade-point average (CGPA) of 2.0

#### Associate Degree and Certificate Students:

**Probation:** Failure to achieve a CGPA of 2.0 results in the student being placed on "first probation" the next semester. First Probation students who achieve a 2.0 GPA for their first semester on probation, but do not achieve a CGPA of 2.0 are placed on "second probation". Students will remain on "second probation" for the following semesters as long as the semester GPA remains above a 2.0 and the student does not receive punitive grades (F), or until the CGPA is raised to a 2.0 or higher.

**Unsatisfactory Progress:** If a student that is on "second probation" has a semester GPA that falls below 2.0, or if they receive a punitive grade, their VA benefits will be suspended. Students that are on VA suspension are not certified for VA benefits.

#### Reinstatement of VA Education Benefits:

Students under VA suspension may choose to continue taking courses without being certified for VA benefits. Students that successfully complete a semester enrolled in at least 1/2 time status with a 2.0 or higher semester GPA, with no punitive grades earned may have their VA benefits reinstated.

#### Transfer and Returning Students:

VA students that transfer to ACC under academic suspension or probation at the last school they attended are admitted under the terms of "first probation" (see above). Returning or Transfer students may seek written approval from the Dean of Student Services to exclude credits taken prior to enlistment in military service from being considered in the CGPA requirements for satisfactory progress for VA certification purposes only. These students are required to meet the "Satisfactory Progress" guidelines as explained above, starting the first semester they enroll in ACC after completing their required military service.

## Learning Lab

The Learning Lab is located on the second floor of building A, the Learning Resources Center. The Learning Lab is an open-concept learning center that serves ACC students and community patrons. Its purpose is to provide academic assistance for students in a relaxed, informal environment. Math tutoring is provided for developmental math classes through calculus classes. Lab services include

developmental classes to better prepare students for their chosen programs, individual tutoring, tape player/recorders/copiers and computer usage and printing, including internet service. The Learning Lab also serves as a testing facility for TBA and other distance education classes.

## Academic Enhancement Center

The Academic Enhancement Center (AEC) is located in the Leaning Lab, office A210. This center is the central office for developmental education at ACC. The AEC offers a variety of academic support services such as tutoring in English, and Reading, and designing Customized Study Plans for students enrolled in developmental classes. The Learning Lab/AEC hours are available each semester in the Learning Lab, A232.

## Library

The library is located on the second floor of Building A. The automated catalog, the Internet, and subscription databases are accessible from anywhere the Internet is available. Off-campus access of the databases requires login access, which is obtained from the library. The library's mission is to support the ACC curriculum with additional research materials and to provide personal enrichment materials. The library has over 25,000 books, 200 current periodical subscriptions, videotapes, a scanner, and a coin-operated photocopier. Computer print jobs are sent to the central server with coin-operated print control software. Printing is done at the cost of ten cents per page. Study rooms are available for individual and group study as well as viewing course dvd's and videos. Materials not housed in the library are available through Interlibrary Loan or Document Delivery. Students must show a valid student ID card to borrow materials or use the computers. A classroom is available in the library where PowerPoint and Internet instruction is offered to any individual or groups of students. Laptops are available for a one week check out. Contact the Library for more information. **Wireless Internet access is available in the library and throughout the campus.** See an assistant in the Cyber-Student Computer Lab to register for this service.

ACC belongs to Texshare, a statewide system allowing reciprocal borrowing privileges at all participating college and university libraries in Texas. Through Texshare the college has access to over 70 content and periodical databases enabling patrons to access the full contents of thousands of magazine articles. Articles can be ordered from other libraries and sent to the ACC library. The inter-library loan program allows library patrons to borrow books from other libraries.

Internet or bibliographic instruction is provided to patrons in the college's electronically equipped multi-media classroom. Powerpoint assistance is given to interested groups to aid them in their class presentations.

Students are responsible for clearing their library records before the end of each semester. Failure to do so will result in the student's records being placed on hold. Official transcripts will not be released or registration allowed until the hold is cleared in the library.

## Campus Services

### CAFETERIA - CAMPUS CAFÉ

The Campus Café, located in the Student Center, offers a grill, cold food and snacks, a salad bar and beverages. It is open each class day, breakfast through lunch.

### CHILD DEVELOPMENT LABORATORY SCHOOL

Students, staff and faculty may enroll their children in the campus child development laboratory school operated by the Child Development/Early Childhood Department. The center is licensed for children ages 18 months to 6 years. The program also includes a private kindergarten classroom.

### COLLEGE STORE

The College Store, offering books, school supplies and sundry items, is operated for the convenience of students and faculty. Located in the Student Center, it is open both day and evening throughout the academic year. Book-buy-back is conducted by the College Store during the week of final examinations each semester. Students may sell their books back for one-half the original purchase price.

### FITNESS CENTER

The ACC Fitness Center, including the gym, racquetball courts, tennis courts, weight training rooms, locker rooms and saunas, is open to students, faculty, staff and the residents of the college district who purchase a membership. The center operates seven days a week during the fall and spring semesters except when the College is closed. For summer hours and membership information call (281) 756-3691.

### HEALTH INSURANCE

Alvin Community College does not participate in a group student insurance plan. Student health insurance is available for purchase through private companies. Students may obtain written publications and contact information regarding various plans from the Office of the Associate Dean of Students. Students should carefully study the terms of the policy before purchasing coverage.

### PARKING

Automobiles must be registered with the College Police to park legally on campus. Students are issued parking permits and the published traffic regulations as part of registration. Visitors and participants in special programs must obtain a temporary permit from the College Police Office. Parking spaces marked with yellow stripes are reserved for student and registered visitor parking. Those spaces painted white with "Faculty and Staff Parking" signs at the heads of the rows are reserved for registered faculty and staff vehicles.

### STUDENT ACTIVITIES

Some of the most valuable experiences a student will have while attending college occur outside the classroom. These extra-curricular activities are open to every ACC student and the College encourages its students to participate and get involved. Activities range from health & wellness to cultural awareness; entertainment, as well as intramural sports. Throughout the year special events take place including Fall Festival & Carnival, Festival of Lights and the The BIG Event. The Student Activities Office maintains a calendar of campus events which can be accessed through MyACC, as well as the campus newsletter - Campus Connection.

## STUDENT ORGANIZATIONS

Alvin Community College offers a variety of student organizations classified as service, religious and social. Potential student leaders are encouraged to join the Student Government Association (SGA). SGA is an organization that represents the student body, and maintains communication between the students and the administration. Other campus organizations include:

- ACC Soccer Club
- Alvin Community College Empowering People to Embrace Disabilities (ACCEPTED)
- Alvin Paralegal Association
- Alvin Nursing Student Association
- Animal Rescue
- Anime Club
- Baptist Student Ministries
- Catholic Newman Association
- Church of Christ Student Fellowship
- Health and Medical Society (HAMS)
- Phi Theta Kappa
- Student Government Association
- Student Organization for Respiratory Care
- Word Droppers
- Writer's Club

## ATHLETICS

The College is a member of the National Junior College Athletic Association (NJCAA) and participates in intercollegiate competition in men's baseball and women's fast-pitch softball. Soccer is offered as a club sport. Students have the opportunity to participate in intramural and extramural sports, as well as an extensive sports and human performance program.

## STUDENT HANDBOOK

The student handbook provides information about student activities and organizations, student services, the grievance procedure, and college regulations. It also contains the official publication of the Student Code of Conduct, which defines forms of discipline such as suspension and expulsion. The student handbook is available online at [www.alvincollege.edu](http://www.alvincollege.edu) and in the Dean of Students office.

ACC students learn African drum techniques during Black History month.

# my ACC

MyACC is an electronic commons area accessed through the college homepage at [www.alvincollege.edu](http://www.alvincollege.edu). This communication portal has been established as an official method of communication between students and college faculty and staff. Through myACC students may establish email accounts, personalized calendars and task lists. The campus message board provides a centralized location for campus announcements and news items. Faculty use myACC to communicate with students through class specific chat rooms as well as postings for course related resources by providing a place for shared files that can be accessed from any place that has an Internet connection.

## Communicate:

- Stay on top of deadlines and schedules with MyACC calendars
- Get in the loop with MyACC email
- Receive campus-wide, committee, departmental, and group announcements

## Collaborate:

- Share documents and photos
- Stop by the CruiserCafe for social networking with classmates
- Access WebACCESS to:
  - Register and search for classes
  - Drop/Add Courses
  - View your Transcripts
  - Make Payments

## Learn:

- Work on group projects
- Access grades in real-time
- Submit assignments
- Chat with professors and classmates
- Access course syllabus and materials

## Access Campus Services:

- College store
- Department offices
- Copy Center
- Registrar
- Academic Advising
- Financial Aid
- Library
- Fitness Center
- And more

The screenshot displays the myACC website interface. At the top, there is a navigation bar with "General" and "Offices" options. Below this, a breadcrumb trail reads "Campus > General > Welcome". The main content area is divided into several sections:

- Campus Announcements:** Lists "The Music of Art" Choir Concert Offered Free to C and "Get Plugged In!".
- Log In:** Includes input fields for "Log In ID" and "Password", a "Log In" button, and a "Need More Info..." link.
- Mini Calendar:** Shows a calendar for April 2007. The 26th is highlighted.
- Campus Schedule:** For "Today (4/26)", it lists a "7:00p-10:00p Board Meeting".
- Weather by Yahoo:** Shows "Yahoo! Weather - Alvin, TX" with conditions for Alvin, TX at 10:53 am CDT.

On the right side of the interface, there is a "Chat Room" section with a "Get you" link and a list of items, including "1. If you", "2. Enter", "3. Enter", and "For you Your init myACC. be 0905". Below this, there are sections for "ACC Stu", "ACC Stu", "New to students", and "The new informat informat".

## ACADEMIC PROGRAMS

Alvin Community College offers a variety of academic programs. The following degrees and certificates are awarded to students who successfully complete approved programs.

### Associate of Arts Degree

**Degree:** Associate of Arts (A.A.)

**Length:** Four-Semester (Two-Year) Program

**Purpose:** The Associate of Arts Degree (A.A.) is awarded to students who fulfill the requirements in General Liberal Arts, Art, Drama, Music, or Sports & Human Performance curriculum. Students who complete these curriculums normally transfer to a four-year college where they major in one of the following subject-areas:

Art	Foreign Language	Mathematics	Pre-Law
Child Dev./Early Childhood	Government	Music	Psychology
Economics	History	Musical Theater	Sociology
Education	Journalism	Philosophy	Speech
English	Library Science	Physical Education	

**Program Requirements:** These curriculums include the general education courses and introductory specialty courses that are usually required in the first two years of equivalent baccalaureate programs. When planning a program and selecting electives, the student should become acquainted with the requirements of the major department in the college or university to which he/she expects to transfer.

\*MUAP 1269, 1270, 2269, 2270 may be substituted.

\*\*Texas History (HIST 2301) may be substituted for one semester of U.S. History (HIST 1301 or HIST 1302) to satisfy degree requirements.

\*\*\*Corequisites

<sup>a</sup> Students will demonstrate computer literacy through computerized tasks required for MUSI 1308 & MUSI 1309, 1211, 1212, 2211, 2212.

<sup>b</sup> Satisfies Visual/Performing Arts core requirement.

<sup>c</sup> Speech core requirement.

Total Minimum Credits Required for Music - Voice Concentration Degree ..... 65/66

## Field of Study Curriculum for Music

The field of study curriculum for music is designed to apply to the Bachelor of Music degree but may also be applied to the Bachelor of Arts or other baccalaureate-level music degrees as deemed appropriate by the awarding institution. The field of study curriculum is furthermore intended to serve as a guide for community and technical colleges in structuring a transfer curriculum in music.

### Field of Study Courses

The field of study curriculum shall consist of 27 to 35 lower-division semester credit hours (31 without the keyboard course described below) that are fully transferable. Transfer of credit in ensemble, applied study and theory/aural skills shall be on a course-for-course basis.

COURSE	NUMBER OF SEMESTERS	SEMESTER CREDIT HOURS
<b>Ensemble</b>		
MUEN 1122, 1123, 2122, 2123 (Instrumental Majors)	4	4
MUEN 1141, 1142, 2141, 2142 (Voice Majors)	4	4
<b>Applied Study</b>		
Four semesters of sequential courses in voice or one instrumental area:		
MUAP 1217, 1218, 2217, 2218 (Woodwinds)	4	8
MUAP 1237, 1238, 2237, 2238 (Brass)	4	8
MUAP 1257, 1258, 2257, 2258 (Percussion)	4	8
MUAP 1261, 1262, 2261, 2262 (Guitar)	4	8
MUAP 1269, 1270, 2269, 2270 (Piano)	4	8
MUAP 1281, 1282, 2281, 2282 (Voice)	4	8
<b>Theory/Aural Skills</b>		
MUSI 1211, 1212, 2211, 2212 (Music Theory)	4	8
MUSI 1216, 1217, 2216, 2217 (Sight Singing & Ear Training)	4	8
<b>Music Literature</b>		
MUSI 1308 or 1309	1	3

### Keyboard (Piano) Competency

Because keyboard (piano) competency is a requirement for most baccalaureate degrees in music, up to four additional semester credit hours of course work pertaining to keyboard (piano) may transfer by agreement between institutions. Keyboard competency courses approved for transfer are courses in group piano or applied lessons that concentrate specifically on skills development for passing keyboard proficiency examinations. Keyboard courses that concentrate primarily on performance literature are not considered to be keyboard competency courses for the purposes of this field of study. Completion of courses leading to keyboard proficiency does not necessarily satisfy the established proficiency requirement at a receiving institution.

### Competency, Proficiency, and Diagnostic Assessment

Transferring students who have completed the field of study curriculum must satisfy the competency and proficiency requirements of the receiving institution. Transferring students shall not be required to repeat courses transferred as part of the field of study curriculum. However, diagnostic assessment of transfer students is permissible if the receiving institution routinely conducts diagnostic assessment of native students at the same point in the program of study.

### Courses for Specific Degree Programs

Completion of the field of study curriculum shall not prevent a receiving institution from requiring additional lower-division courses that may be necessary for specific degree programs. Courses selected for inclusion in the field of study curriculum are those considered to be common to lower-division study for most music degrees. Receiving institutions may require transfer students in specialized programs (e.g., jazz studies, performance, composition, music therapy, etc.) to take additional degree-specific lower-division courses that are not included in the field of study curriculum.

### Full Academic Credit

Academic credit shall be granted on a course-for-course basis in the transfer of theory/aural skills, applied music, and ensemble courses and will be accepted at the credit-hour level of the receiving institution. Full academic credit shall be granted on the basis of comparable courses completed, not on specific numbers of credit hours accrued.

### General Education Courses

In addition to the course work listed above, the maximum recommended transfer credit from the general education core curriculum is 31-39 semester credit hours. Students shall complete the general education core curriculum in effect at the institution that will grant the baccalaureate degree.

### The Associate's Degree in Music

The field of study curriculum should serve as the basis for structuring the associate's degree in music. Each two-year college should determine which courses from its approved general education core curriculum to include with the music field of study curriculum in order to constitute a 66-semester credit hour transfer block. In order to receive the baccalaureate degree, a transferring student shall complete the general education core at the receiving institution.

ACC hosted the GCIC 2008 Jazz Festival featuring jazz groups from the Houston area Community Colleges.

## Associate of Arts - General Studies

**Degree:** Associate of General Studies (A.G.S.)

**Length:** Four-Semester (Two-Year) Program

**Purpose:** The program is designed for the student who wishes to pursue a multidisciplinary academic program for personal enrichment, but who does not have a specific baccalaureate degree goal. However, in some academic areas, this program may meet the requirements for more advanced study. (The student wishing to continue should consult with the receiving institution about transfer of courses.) Students who successfully complete the following program of study, in addition to meeting the graduation requirements, will be eligible to receive the Associate in Arts - General Studies Degree.

### Associate of Arts - General Studies Degree

Core Curriculum	Course Title	Credits
Communication . . . . .	Select three from the following courses: ENGL 1301, ENGL 1302 SPCH 1315, SPCH 1318, or SPCH 2335	9
Mathematics . . . . .	Select one from the following courses: MATH 1314, 1324, 1325, 1332, 1342, 1350, 2412, 2413, 2414	3
Natural Sciences . . . . .	Select two from the following courses: BIOL 1406, 1407, 2401, 2402 CHEM 1405, 1407, 1411, 1412 GEOL 1401, 1403, 1404, 1405, 1445, 1447 PHYS 1401, 1402, 2425, 2426	8
Visual & Performing Arts . . . . .	Select one from the following courses: ARTS 1301, 1303, 1304, 2348 DRAM 1310, 1351, 1352, 2361, 2362, 2366 MUSI 1301, 1306, 1308, 1309, 1310	3
Humanities . . . . .	Select one from the following courses: ENGL 2322, 2323, 2326, 2332, 2333 HUMA 1301, 1302 PHIL 1301, 2306 or any Sophomore level French, German or Spanish course	3
Social and Behavioral Sciences . . . . .	Select from the following: Select two (6 hrs) HIST 1301, 1302, 2301 Required (6 hrs) GOVT 2301, 2302 Select one (3 hrs) ANTH 2346 ECON 2301, 2302 GEOG 1301, 1303 PSYC 1300, 2301, 2314, 2317 SOCI 1301, 1306, 2301, 2319	15
Basic Computer Literacy . . . . .	Select one from the following courses: BCIS 1405, 1431 COSC 1401, 1418, 1420, or 2420	4
Other Requirements . . . . .	Physical Activity (each 1 hour activity course)	2
College Level Electives . . . . .	Students planning to transfer to a university baccalaureate degree are strongly encouraged to visit with their advisor prior to selecting electives.	18
Total credits required for the Associate of Arts - General Studies Degree . . . . .		65

## Associate of Arts in Teaching Program

**Length:** Four-Semester (Two Year) Program

**Purpose:** The AAT is designed to provide a set of courses within the Teacher Certification areas which will fully transfer to any public college or university in the state of Texas that offers educator preparation programs. Specific Teaching tracks include: Early Childhood-Grade 4; Grades 4-8; EC-12 Bilingual and Special Education and 8-12. The transfer student must meet the admission requirements from the accepting college or institution.

Leading to Initial Texas Teacher Certification EC-4 or Early Childhood Degree Specialization.

Course Number	Course Title	Lecture Hours	Lab Hours	Credits
ENGL 1301	Composition I	3	0	3
ENGL 1302	Composition II	3	0	3
SPCH 1315	Public Speaking	3	0	3

EDUC 2301	Introduction to Special Populations	3	1	3

\*\*\* Content area teaching fields/academic disciplines (12 hours)  
(See Dept. Chair of Child Development & Early Childhood) 12

Total Minimum Credits Required .....65

\* Non math or science majors may take Math 1332. Consult the requirements from the accepting university.

\*\* Specific course may be required. Consult the catalog from the accepting university.

\*\*\* Area Teaching Field/Academic Discipline:

8-12	History	8-12	Science
8-12	Social Sciences	8-12	English Language Arts & Reading
8-12	Mathematics	8-12	Computer Science
8-12	Life Sciences	8-12	Mathematics & Physics
8-12	Physical Sciences	8-12	Foreign Language

## Associate of Science Degree Program

281-756-3746

**Degree:** Associate of Science (A.S.)

**Length:** Four-Semester (Two-Year) Program

**Purpose:** The Associate of Science Degree (A.S.) is awarded to students who fulfill the requirements of the biological science, business administration, mathematics, or physical science curriculum. Students who complete these curriculums normally transfer to a four-year college where they may major in one of the following subject areas:

Biological Science	Engineering	Physics
Business Administration	Forestry	Pre-Dentistry
Chemistry	Geology	Pre-Medicine
Communications-Radio & Television Broadcasting	Mathematics	Pre-Veterinary
Conservation	Pharmacy	

**Program Requirements:** Although the major emphasis in these curriculums is in mathematics, biological science, and physical science, the curriculums also include courses in the humanities and social sciences. When planning a program and selecting electives, the student should become acquainted with the requirements of the major department in the college or university to which he/she expects to transfer.

Total Minimum Credits Required for Business Administration Degree.....66-67

This degree plan is designed to meet the needs of students who major in Business and transfer to a four-year college/university. It was approved by the Texas Higher Education Coordinating Board with the intention that transferring students shall not be required to repeat courses transferred as part of the field of study curriculum. Receiving institutions are not required to accept a grade below "C" in transfer and may require additional lower-division courses that may be necessary for specific degree programs.

The following courses, totaling 22 hours have been adopted by theTHECB as a Field of Study Curriculum in Business: ECON 2301 and 2302, MATH 1325, BCIS 1405, SPCH 1315 or SPCH 1321 (one speech course only, ACCT 2301 and 2302.

# Health Science Degree Program

Associate of Science Degree Program

This is a recommended course of study for students who plan to pursue a baccalaureate degree in nursing or other allied health field. It does not prepare students for direct entry into a health related career field. Students should identify early the institution to which they intend to transfer for specific requirements. Transferability of courses is determined by the receiving institution.

Total Minimum Credits Required for Physical Science Degree ..... 64

## Associate of Applied Science Degree Programs

**Degree:** Associate of Applied Science (A.A.S.)

**Length:** Four-Semester (Two-Year) Program

**Purpose:** The Associate of Applied Science Degree (A.A.S.) is awarded to students who fulfill the requirements in one of the following programs:

Business Technology - Legal Office Professional  
Business Technology - Office Professional  
Business Technology - Medical Office Professional  
Child Development/Early Childhood  
Communications-Radio Broadcasting  
Communications-Television Broadcasting  
Computer Science - Networking  
Court Reporting  
Computer Science Technology - Computer Programming  
Criminal Justice - Correctional Science  
Criminal Justice - Law Enforcement & Police Administration  
Culinary Arts  
Diagnostic Cardiovascular Sonography-Echocardiography  
Diagnostic Cardiovascular Sonography-Non-Invasive Vascular

Technology  
Drafting Technology  
Emergency Medical Technology  
Management Development  
Mental Health/Addiction Counseling  
Nursing ADN  
Nursing Transition (LVN to ADN)  
Polysomnography  
Business Technology - Office Professional  
Paralegal  
Process Technology  
Respiratory Care

These programs are two years in length, and prepare the student for immediate occupational employment.

**Capstone Experience:** The capstone is a learning experience which results in a consolidation of a student's educational experience and certifies mastery of entry-level workplace competencies. The Capstone experience must occur in the last semester of the student's educational program.

## Advanced Technical Certificate Programs

(Associate of Applied Science Degree in an Allied Health Program required prior to earning these certificates.)

Diagnostic Cardiovascular Sonography-Echocardiography  
Diagnostic Cardiovascular Sonography-Non-Invasive Vascular Technology  
Polysomnography

## Certificate Programs

The Certificate of Completion in Technical Education is awarded to students who fulfill the requirements in one of the following programs:

Accounting Clerk  
Child Development/Early Childhood  
Child Development/Early Childhood Admin.  
Communications-Radio Broadcasting  
Communications-Television  
Computer Science-Data Processing  
Computer Science-Networking  
Court Reporting  
Court Reporting Scopist  
Criminal Justice-Correctional Administration  
Criminal Justice-Correctional Science  
Criminal Justice-Crime Scene Technician  
Criminal Justice-Law Enforcement Police Administration  
Criminal Justice-Basic Law Enforcement  
Culinary Arts  
Culinary Management

Drafting Technology  
Emergency Medical Technician  
Emergency Medical Technician - Intermediate  
Law Enforcement & Police Administration  
Legal Office Assistant  
Management Development  
Marine Robotics  
Medical Coding & Billing Specialist  
Mental Health/Addiction Counseling  
Office Assistant  
Paralegal  
Process Technology  
Vocational Nursing

These programs vary in length from one to three semesters, and they prepare the student for immediate occupational employment.

# Business Technology - Legal Office Professional Degree Program (formerly Office Administration)

**Degree:** Associate of Applied Science (A.A.S.)

**Length:** Five-Semester (Two-Year) Program

**Purpose:** The Associate of Applied Science Degree curriculum in Business Technology offers courses which prepare the student for employment in the legal secretarial field.

**Program Requirements:** The two-year curriculum in business technology provides instruction in areas required for competence as an administrative assistant in a legal office environment. The student will gain at least eight months work experience related to this field. Upon satisfactory completion of the two-year curriculum, the student will be awarded the Associate of Applied Science Degree in Business Technology.

# Child Development/Early Childhood Degree Program

281-756-3644

**Degree:** Associate of Applied Science (A.A.S.)

**Length:** Four-Semester (Two-Year) Program

**Purpose:** The curriculum in child development and early childhood prepares individuals for career services in day care centers, pre-school programs and related occupations. Supported by a broad general education, training is given to develop professional competence in the area of child development and early childhood.

**Admission Requirements:** In addition to the general requirements for admission to the college, entry into the program requires a personal interview with the Child Development/Early Childhood Department.

**Program Requirements:** Approximately two-thirds of the curriculum includes courses in child development and early childhood with the remaining courses in related areas, general education, and electives. Instruction includes both the theoretical concepts and practical applications needed for future success in child development and early childhood or related activities. Students are urged to consult with their faculty advisor and the Office of Admissions and Academic Advising in planning their program and selecting electives. Upon satisfactory completion of the program, the graduate will be awarded the Associate in Applied Science Degree.

# Communications - Radio/TV Broadcasting Degree Program

281-756-3767

Associate of Applied Science Degree (A.A.S.) - Tech Prep

Length: Four-Semester (Two-Year) Program

Purpose: The program is designed to prepare the student for an entry level position in the field of communications or for further study at a senior institution.

Program Requirements: This curriculum includes the general education courses and introductory specialty courses that are usually required in the first two years of equivalent baccalaureate programs.

When planning a program and selecting electives, the student should become acquainted with the requirements of the major department in the college or university to which he/she expects to transfer. Students planning to begin employment upon completion of their program should give special consideration to their specific area of interest in the field of communications when selecting electives. Students planning on transferring to a four year academic institution should consult with the department chair.

ACC graduate, Jason Nichols, now instructs ACC students in TV production.

# Computer Science Technology - Computer Programming Degree 281-756-3782

**Degree:** Associate of Applied Science Degree (A.A.S.)

**Length:** Four-Semester (Two-Year) Program

**Purpose:** The Computer Science Technology curriculum develops in students the skills, knowledge, attitudes, and abilities which will enable them to function in positions of responsibility in the current employment market. Special emphasis is given to computer programming, and each student is urged to consult with the Counseling Center or faculty advisor.

**Program Requirements:** This curriculum in computer science is a two-year program encompassing instruction in the many areas required for competence as a technician in the computer science industry. Approximately one-half of the curriculum includes courses in computer technology, with the remaining courses in technically related areas: mathematics, business, and general education. This curriculum provides a broad background, qualifying the student to perform effectively in several different occupational areas of the computer science technology field. Upon completion of the two-year curriculum, with an overall grade point average of 2.0 for all computer science courses attempted, the student will be awarded the Associate in Applied Science Degree with a major in Computer Science Technology, specializing in business computer programming.

## Associate in Applied Science - Computer Networking (281) 756-3669

**Length:** Four Semesters (Two Year) Program

**Purpose:** The Computer Science Networking program would prepare students for careers in many areas of LAN/WAN administration and design. ACC is a valued member of the Microsoft IT Academy program and thus holds a leveraged position for success in a variety of career opportunities (e.g. installing, managing and maintaining Microsoft servers and networks worldwide). This 63 credit A.A.S. program is designed to include the Microsoft Certified System Administrator (MCSA) and/or Microsoft Certified System Engineer (MCSE) sequence. Program graduates will be prepared for both of these industry leading certification examinations as well as the more basic CompTIA Network+ generic certification. This College has one networked classroom lab on the main campus dedicated exclusively to the Network Administrator/Engineer curriculum.

	Course Number	Course Title	Lecture Hours	Lab Hours	Credits

1st Mini	ITMT 2346	Designing a Secure Windows Network	2	2	3
2nd Mini	ITMC 2355	Deploy & Manage Microsoft ISA Server	2	2	3
			15	9	15

\* Elective is optional but provides flexibility and broader development of the program and individual.

\*\* Capstone Course is ITMT 1355 - Managing a Windows Network Environment

Mini-Semesters run 8 weeks and are scheduled back-to-back (e.g. 1st Mini=8wks + 2nd Mini=16wks)

Total Credits Required for A.A.S of Computer Networking ..... 63

## Computer Science Technology - General Computer Data Processing Certificate Program

**Length:** Two-Semester (One-Year) Program

**Purpose:** The general computer data processing curriculum provides students with an introduction to data processing and allows persons already engaged in business and industry to increase their computer knowledge.

**Program Requirements:** The curriculum includes technical courses in computer science. Each student is urged to consult with the Office of Admissions & Academic Advising or faculty advisor. Upon satisfactory completion of the two semester curriculum, with an overall 2.0 grade point average for all computer science courses attempted, the student will be awarded the Certificate in Computer Science (General Computer Data Processing).

Course Number	Course Title	Lecture Hours	Lab Hours	Credits

CPMT 2445	Computer System Troubleshooting	3	3	4
		10	10	13

This plan provides courses for preparation for the following certifications:

CompTIA Network+ Certification (ITNW 1358 and ITNW 1325)

CompTIA A+ Certification (CPMT 1411 and CPMT 2445)

Microsoft Certified Professional (MCP) Certification (ITMT 1300 and/or ITMT 1340)

This plan provides courses for preparation for 3 out of the 4 exams required for the Microsoft Certified Systems Administrator (MCSA) certification and 3 of the 7 exams required for the Microsoft Certified Systems Engineer (MCSE).

\*Capstone Course

Total Credits Required for Computer Science Networking Certificate.....27

**Degree:** Associate of Applied Science (A.A.S.)

**Length:** Six-Semester Program

**Purpose:** The Associate in Applied Science Degree curriculum in Court Reporting prepares students for job entry positions in court reporting and for positions related to court reporting, e.g., scoping and captioning. This curriculum meets a need which exists due to the greatly expanding Gulf Coast area, the increasing demand for qualified court reporters and captioning/CART providers throughout the nation, and the lack of institutions to provide the necessary training.

**Program Description:** The curriculum runs for two years. However, the machine shorthand courses are offered in such a way as to allow students to progress at their own individual rates. Maximum use of live dictation exists in the program, as practice tapes are encouraged for use off-campus. Accommodations are made for students to secure credit for work previously accomplished through the credit-by-examination procedure.

**Program Objectives:** The objective of the two-year curriculum is for the student to attain the machine shorthand speed of 225 words per minute on testimony, 200 words per minute on jury charge, and 180 words per minute on literary material equivalent to standards of the National Court Reporters Association (NCRA). Accompanying objectives are the attainment of the Court Reporting Scopist Certificate for those students who desire it and an enhanced skills certificate in captioning/CART.

**Program Requirements:**

1. To be considered for admission to the Associate Degree Court Reporting Program, the applicant must:

- a. be a high school or GED graduate;
- b. make application to ACC and fulfill the admission requirements of the College;
- c. fill out a Court Reporting application and return it to the Chairperson of the Court Reporting Department;
- d. have a personal interview with the Court Reporting Department Chairperson or his/her designee to develop a degree plan and secure a beginning schedule;
- e. submit official copies of transcripts of all previous high school and college work to the ACC Records Office;
- f. be able to type 45 words per minute with not more than 5 errors on a five-minute test before entering Machine Shorthand Theory.

**Note:** A person convicted of a criminal offense involving moral turpitude, fraud, or corruption may be refused certification to the Supreme Court by the Texas Court Reporters Certification Board. Please contact the Texas Court Reporters Certification Board, Austin, Texas, for more information.

2. Any student who has accumulated the equivalent of any five full days absence in any subject may be dropped from the course. Students withdrawing from the program for reasons other than academic problems will be considered for readmission on an individual basis. All CRTR students will be limited to two semesters of CRTR 1404 (Machine Shorthand I). Students who do not complete all requirements for this course, including three 40 wpm five-minute tests with a grade above a D, within this time frame may be redirected to another program. Grades will be issued on the following basis:

- |   |          |
|---|----------|
| A | 90 - 100 |
| B | 80 - 89  |
| C | 75 - 79  |
| D | 70 - 74  |
| F | 0 - 69   |

No grade below a C (75%) in any CRTR English class, including CRTR 1312, CRTR 2311, will be accepted for progression. A grade of D or below will not be accepted for advancement in machine shorthand classes.

3. Transfer students:

- a. must provide the ACC Records Office with official transcripts for each institution attended and request evaluation by the Graduation Advisor and the Court Reporting Department Chairperson.
- b. may apply for credit by examination by testing in the following areas: Legal Terminology; Medical Reporting; Reporting Communications I.

4. The Court Reporting Department will assist all graduates of the program in obtaining employment.

5. Advancement in the machine shorthand courses involves utilization and development of skills, which may be more difficult for some individuals; therefore, successful completion of these courses may require more than the two years outlined in the degree plan.

# Court Reporting Associate of Applied Science Degree Program

		9	23	11

\*Students must take CRTR 1312 and 2311 in the Court Reporting Department regardless of prior English classes completed at ACC or other institutions.

Total Credits Required A.A.S. Court Reporting ..... 72

1. The student shall pass three five-minute tests with a minimum of 95% accuracy at each of the following speeds: 200 words per minute jury charge and 180 words per minute literary. The student shall pass four five-minute testimony tests with a minimum of 95% accuracy. These tests will include the following:

- One 180 wpm five-minute literary test with no more than 10 errors-98.9%
- One 180 wpm five-minute testimony test with no more than 10 errors-98.9%
- One 200 wpm five-minute jury charge test with no more than 25 errors-97.8%
- Two 225 wpm five-minute testimony tests with no more than 25 errors-97.8%
- Two mock CSR exams. EACH exam consists of the following:
  - One 180 wpm five-minute literary test with no more than 45 errors-95%
  - One 200 wpm five-minute jury charge test with no more than 50 errors-95%
  - One 225 wpm five-minute testimony test with no more than 56 errors-95%

2. Each student shall complete an internship (CRTR 2381) of at least 15 verified hours per week for one semester with a practicing reporter plus 5 hours per week transcribing proceedings taken during the internship

Students are encouraged to utilize the tape library for home practice and skill building during free periods and before and after school.

## Court Reporting Enhanced Skills Certificate (Captioning)

**Purpose:** The captioning enhanced skills certificate prepares the student seeking the A.A.S. degree in court reporting to also work in the captioning arena: off-line and on-line captioning and also realtime translation of meetings, seminars; conferences, and classroom realtime translation.

## Court Reporting Certificate Program

**Length:** Six-Semester Program

**Purpose:** The certificate in Court Reporting prepares the student for full-time employment immediately in a specialized business occupation. This course provides a job outlet for those students who desire to work in the court reporting field, but do not wish to pursue an A.A.S. degree plan.

**Program Requirements:** Students entering this program must be high school graduates or possess a GED equivalency certificate. Each student is urged to consult with the Counseling Center and the Court Reporting Department Chairperson in planning his/her program. The Court Reporting Certificate will be awarded upon satisfactory completion of the six-semester program.

**Note:** The A.A.S. program requirements also apply to the certificate program in Court Reporting.

# Court Reporting Scopist Certificate Program

**Length:** Three-Semester Program

**Purpose:** The Court Reporting Scopist Certificate prepares the student for full-time employment immediately in a specialized business occupation. This course provides a job outlet for those students who desire to work in the court reporting field, but do not desire to become a court reporter, or who find they must secure employment within a shorter time. Those seeking the Court Reporting Scopist Certificate will attain the speed of 80 words per minute on machine shorthand tests.

**Program Requirements:** Students entering this program must be high school graduates or possess a GED equivalency certificate. Students entering the scoping program must possess keyboarding skills of at least 50 words per minute. Each student is urged to consult with the Counseling Center and the Court Reporting Department Chairperson in planning his/her program. The Court Reporting Scopist Certificate will be awarded upon satisfactory completion of the three-semester program.

Educational Programs

**Degree:** Associate of Applied Science (A.A.S.) - Tech Prep

**Length:** Four-Semester (Two-Year) Program

**Purpose:** The curriculum in correctional science prepares individuals for career services with the Texas Department of Corrections, with juveniles in institutions, and with related correctional occupations. Supported by a broad general education, training is given to develop professional competence in the field of contemporary corrections. This curriculum is applicable to both the preparatory student and the experienced correctional worker.

**Admission Requirements:** In addition to the general requirements for admission to the College, entry into the correctional science program requires the following:

1. Degree plan must be approved by the Criminal Justice Department Chairperson.
2. Satisfactory results on required tests.
3. Special Requirements: For employment with correctional agencies, the following qualifications are often prerequisites: (a) excellent physical condition free from any physical or mental condition which might adversely affect acceptance or performance as a correctional officer; (b) normal hearing, color vision, and eye functions; (c) weight in proportion to height; and (d) excellent moral character.

**Program Requirements:** Approximately one-half of the curriculum includes courses in correctional science with the remaining courses in related areas, general education, and electives. Instruction includes both the theoretical concepts and practical applications needed for future success in correctional work. Students are urged to consult with their faculty advisor and the Office of Admissions & Academic Advising in planning their program and selecting electives. Upon satisfactory completion of the program, the graduate will be awarded the Associate in Applied Science Degree.

# Criminal Justice - Law Enforcement and Police Administration Degree

**Degree:** Associate of Applied Science (A.A.S.) - Tech Prep

**Length:** Four-Semester (Two-Year) Program

**Purpose:** The curriculum in Law Enforcement and Police Administration prepares individuals for career services in law enforcement and related occupations. Supported by a broad general education, training is given to develop professional competence in the fields of law enforcement administration, police science, prevention and control of delinquency and crime, correctional administration, and industrial security administration. This curriculum is applicable to both the preparatory student and the experienced officer.

**Admission Requirements:**

1. General requirements for admission to the College.
2. Degree plan approved by the Criminal Justice Department Chairperson.

**Program Requirements:**

1. Complete ACC graduation requirements (see Table of Contents, Academic Policies and Regulations).
2. Complete a minimum of 63 approved credit hours.

Upon satisfactory completion of program and ACC graduation requirements, the student will be awarded the Associate of Applied Science Degree.

## Criminal Justice - Crime Scene Technician Certificate

**Length:** Thirty-Three Semester Hours

**Purpose:** This course provides the student with the goals and principles of physical evidence and defines the application of forensic sciences to the criminal investigation. It identifies the goals of crime scene management and provides the methodologies employed in recording the crime scene and in locating, collecting, and preserving the evidence. The importance and procedures for establishment of the chain of custody are presented, as are the methods utilized for requesting laboratory analysis of the recovered items of evidence. Emphasis is placed on providing each student with hands-on experience with lecture.

**Program Requirements:** A certificate student takes thirty-three (33) hours of prescribed courses. Upon successful completion of the approved course work, the student will be awarded a Crime Scene Certificate.

## Criminal Justice - Law Enforcement and Police Administration Certificate (Texas Peace Officers Program)

**Length:** Thirty-four semester hours

**Purpose:** The certificate program offers Law Enforcement/Criminal Justice students the opportunity to complete all Texas Commission on Law Enforcement Officer Standards and Education basic training requirements as part of their regular associate or baccalaureate program courses of study.

**Program Requirements:** The Texas Peace Officer Academic Certificate program consists of a sequence of eleven courses. The first seven are those stipulated by the Texas College and University System Coordinating Board as a Criminal Justice transfer curriculum. The remaining four are also Coordinating Board approved. After successful completion of the Certificate Program, a student may be eligible to take the TCLEOSE Basic Peace Officer Licensing Exam, provided there are no rule changes implemented by TCLEOSE and the student has completed an Associate Degree or better. However, after September 2003, in addition to the below listed curriculum, all of the Texas Commission on Law Enforcement rules which are listed in the "Criminal Justice - Basic Law Enforcement Academy Certificate" apply to courses with asterisks (\*). Also special fees, rules and dress will apply to the courses with two asterisks. All the required information can be obtained from the Criminal Justice Department. Requires Department Chairperson approval.

## Criminal Justice - Basic Law Enforcement Academy Certificate

**Length:** Approximately 16 weeks - The day academy is conducted and completed during each of the regular semesters (fall and spring). Classes are conducted between 7:30 am and 5:30 pm, Monday through Friday, however, Defensive Driving and other skills classes may be conducted occasionally on weekends or at night. The night academy starts in the Fall Semester and completed with the Spring Semester. Classes are 6 pm to 10 pm, Monday thru Friday, however some classes may occasionally be conducted on weekends.

**Purpose:** The Alvin Community College Law Enforcement Academy train women and men for a career in Law Enforcement. The course curriculum is designed so the student can meet the testing objectives of the Texas Commission on Law Enforcement Officers Standards and Education (TCLEOSE) and be certified to take the TCLEOSE licensing examination. In addition, students will earn a total of 22 credit hours, 10 hours of which apply directly to the A.A.S. Law Enforcement and Police Administrative degree plan at Alvin Community College. The Academy has graduated over 50 classes during the last 3 decades.

**Accreditation:** The Alvin Community College-Law Enforcement Academy is an approved training academy by the Texas Commission on Law Enforcement Officers Standards and Education.

**Admission Requirements:** to be eligible for the program the student must:

1. Be a high school graduate or hold a certificate of equivalency (GED) with 12 college hours;
2. Be 21 years of age at the time of completion of the course or seek special approval from the Department Chair;
3. Agree to **purchase during the pre-registration** and then wear the prescribed uniform;
4. Complete and negotiate the TCLEOSE L-2 Declaration of medical condition **during the pre-registration**;
5. Complete and accurately answer a personal history statement **during pre-registration**;
6. Sign waiver forms as presented by the college **during pre-registration**;

7. Abide by the special written rules of the Academy and administrative orders issued during special circumstances;
  8. Meet the minimal standards for licensing as required by TCLEOSE (Texas Administrative Code 217.1) which are applicable to a training environment. (TCLEOSE rules are subject to change without notice)
- The following is a summary of the standards and should any conflict occur between the summarized standards and the TCLEOSE standards, then the TCLEOSE standards will govern: (TCLEOSE rules are subject to change without notice)
- a. Be 21 years of age upon graduation of the Academy or fall within an exception (see department chair).
  - b. Be fingerprinted and pay the necessary fees **during pre-registration.**
  - c. Not be on probation for any offense above a class "C" misdemeanor.
  - d. No convictions in past 10 years for misdemeanor offenses above a Class "C".
  - e. No felony convictions.
  - f. No convictions or served no probation for offenses relating to the responsibilities of the office as a peace officer.
  - g. Be of good moral character.
  - h. Prior military must have honorable discharge.
9. Pay special fees associated with the Academy courses **during pre-registration.**

**Special Registration Requirements:** since this course is governed by the TCLEOSE rules the following special conditions apply:

1. No late registration-all special conditions to registration must be completed prior to the first class meeting.
2. The student must contact the Criminal Justice Department **at least 30 days** in advance of the first class meeting in order to be measured for uniforms and special equipment. The student will be expected to pay the vendor for the items ordered.
3. A special pre-academy entry exam is required prior to registration and is administered by the Criminal Justice Department. If a student fails the test by less than 6 points, one retake is allowed. If a student fails the re-take then the student must wait for the next academy and begin the testing series anew. The test can be arranged by contacting the Criminal Justice Department.
4. A check off sheet listing the course prerequisites is required at the time of registration approved by the Academy Coordinator/Commander or the Chair of Criminal Justice.
5. Space is limited so the pre-registration conducted by the Criminal Justice Department will determine the order of acceptance to the academy.
6. **THE PRE-REGISTRATION WITH THE CRIMINAL JUSTICE DEPARTMENT MUST BE COMPLETED 30 DAYS PRIOR TO THE FIRST CLASS.**
7. Assume the risk of a highly intense and physically challenging training program which involves the use of firearms and hand-to-hand combat.

**Course Requirements:**

Day Academy students must enroll in Basic Police Officer I, II, III, and IV and the Basic Firearms course in the same semester to attend the Academy and these courses are available only to those attending the Academy. The student must successfully complete the entire series to receive credit in any of the courses. Night Academy students must meet the same requirements as the Day Academy students, but have the Fall and Spring semester to complete the series.

**Special fees charged by the College:**

1. Ammunition \$195.00
2. Driving \$ 15.00
3. Criminal history check \$ 15.00

**Purchases expected by the student:**

1. TCLEOSE - testing fee-currently \$25.00
2. Uniforms: (3) shirts, (3) pants, (5) t-shirts, (1) shoes, (1) Jacket optional, (1) belt
3. Books/Course Information at the book store
4. PE clothes, shoes
3. General supplies
4. Handgun approved by the Co-Coordinator/Commander

## Culinary Arts - Culinary Management Certificate

281-756-3949

**Length:** Three – Semester (One Year) Program

**Purpose:** To provide students with basic management skills utilized in today's food service industry.

This certificate is designed to compliment the culinary arts certificate and can lead to certification through the American Culinary Federation. The objective is to prepare students for entry level kitchen management positions.

**Program Requirements:** The certificate program includes 19 hours of culinary management classes, a computer science class and a semester long practicum.

Total Credits Required for Culinary Management Certificate .....26

**Degree:** Associate Degree of Applied Science (A.A.S.) in either Echocardiography or Vascular Technology

**Length:** 24 months, New program begins each summer semester.

**Purpose:** The Diagnostic Cardiovascular Sonography Program offers a two-year curriculum to prepare individuals for an allied health career in either Echocardiography or Vascular Technology which are branches of Diagnostic Medical Sonography. Upon graduation, students will possess the skills necessary to perform ultrasound and related diagnostic exams of the heart and blood vessels. Echocardiographers and Vascular Technologists practice in a variety of settings including hospitals, diagnostic centers, doctors offices, contract services, self-employment, sales, education, and research. The Diagnostic Cardiovascular Sonography core curriculum consists of classroom, laboratory, and clinical instruction on subjects including basic healthcare skills, professional issues, medical terminology, ethics, cardiovascular anatomy and physiology, hemodynamics, pathophysiology, pharmacology, electrocardiography, ultrasound physics, echocardiographic techniques and vascular diagnostic techniques. The program has many clinical affiliations around the greater Houston - Galveston area. Graduates of the program earn their credentials by taking the national registry exam offered by the American Registry of Diagnostic Medical Sonographers (ARDMS). **This program is accredited through the Joint Review Committee for Diagnostic Medical Sonography (JRC-DMS) which is under the umbrella of the Commission on Accreditation of Allied Health Education Programs (CAAHEP).**

**I. Admission Requirements: Application Deadline February 15 - Please call DCVS department to obtain an official packet.**

A. To be considered for admission to the Diagnostic Cardiovascular Sonography Program, the applicant must:

1. Be a high school or GED graduate and provide copies of transcripts (if High School graduate within the past five (5) years)
2. Apply to ACC and fulfill the college admission requirements, including THEA or equivalent.
3. Complete the application to the Diagnostic Cardiovascular Sonography Program and interview with the Program Director.
4. Submit official transcripts of all previous college work to both the program and the admissions/Registrar's Office.
5. Composite score of at least 19 on the ACT or combined math and verbal of 900 on the SAT. Test scores must be within 5 years of the time of application. A&P credits must be within the past 5 years. If you're A&P is expired please choose from the following options:
  - a. Re-take A&P II (which includes the heart and blood vessels)
  - b. Take the A&P renewal test (from the office of academic advising) to determine if you still have that knowledge.
  - c. Take DSAE 2303 Cardiovascular Concepts prior to enrollment in the program. (Offered every summer)
6. Demonstrate understanding of the responsibilities, personal qualities, duties and skills required by the profession through a professional observation. A minimum of 4 hours of observation in both Echocardiography and Vascular Technology is required.
7. Upon acceptance, complete a physical examination including chest x-ray, TB skin test, and verification of immunization status. **Must have all three (3) HEPATITIS B shots by August 15th (clinical start date).**
8. Not currently on suspension or academic probation from ACC or any other college.
9. Complete all pre-requisites with a grade of C or better including: ENGLISH 1301, BIOLOGY 2401, MATH 1314, PHYSICS 1401 (or any college level Physics can be accepted, including CTEC 1401)
10. Submit two (2) letters of references (must be on professional letterhead with current date, phone number and signature).
11. Once accepted, pass a criminal background check and drug screen.

B. Anatomy and physiology should have been taken within the past 5 years to satisfy the degree requirements.

C. Transfer and non-traditional students must:

1. Meet the above criteria
2. Have a cumulative GPA of 2.0 or higher on all courses being transferred to the DCVS program.
3. Provide program and Registrar's Office with official transcripts from each prior institution.
4. Provide the DCVS program with a course description or syllabus for each course being considered for transfer.
5. Not currently on suspension or academic probation from another college.
6. Credit may be awarded for support courses equivalent to those included in the DCVS program as determined by examination of the syllabus of the transfer course. A grade of C or better must be achieved for transfer courses.
7. Transfer students must complete a minimum of 24 credit hours at ACC to be awarded a Degree from this institution.

**II. Alternate Enrollment:**

A. Practicing Echocardiographers and Vascular Technologists who wish to earn their degree.

1. This option applies to those who are registered in Echocardiography or Vascular Technology with at least 2 years of experience and would like to earn their Associate Degree.
2. DCVS program courses may be challenged in sequence. Credit is awarded by examination. Admission requirements, pre-requisites and academic courses are still required.

B. Practicing Echocardiographers and Vascular Technologists who wish to take courses for refresher or registry exam review.

1. This option is available to all Echo and Vascular techs.
2. These students may register through continuing education or audit to sit in on any course offered through the DCVS Program for refresher or registry review.

C. DMSO 1210 - Introduction to Sonography may be taken by any student who wishes to gain more information about the profession **prior** to being accepted into the program.

**III. Progression Policies:**

A. Students will abide by the admission and curriculum requirements of the Diagnostic Cardiovascular Sonography department at the time they are admitted or re-admitted to the program.

B. Once a student is enrolled in the program, all core courses must be completed in the proper sequence as shown in the catalog degree plan, or must have prior approval of the program director.

C. A grade of C or better is required in all core and academic courses for progression.

- D. A student may be terminated from the program if clinical or class/lab performance is unsatisfactory as determined by the instructor and the program director. This action may be taken at any time during the semester.
- E. A student who makes a D or F in any core or academic course may repeat that course once in order to obtain a satisfactory grade of C or better. If the failing course is one of the program core courses, the student may have to sit out for a year until that course is offered again depending on pre and co-requisites for that course.
- F. Any student requiring hospitalization, pregnant, or injured will be required to obtain written documentation from his/her physician verifying the health status of the student before returning to clinical. A student may not be allowed to return to clinical if taking medication or if health status may interfere with the ability to perform satisfactorily.
- G. Students have five years to complete the program after initial acceptance.

# Diagnostic Cardiovascular Sonography Advanced Technical Certificate Degree Program

**Degree:** Advanced Technical Certificate Degree in either Echocardiography or Vascular Technology

**Length:** 18 months, New program begins each spring semester.

**Purpose:** The Diagnostic Cardiovascular Sonography Program offers a one and a half year curriculum to prepare those who already have a degree in an allied healthcare related field for a career in either Echocardiography or Vascular Technology which are branches of Diagnostic Medical Sonography. **This is not an entry-level certificate. It is above and beyond the healthcare degree the student already has.** Upon graduation, students will possess the skills necessary to perform ultrasound and related diagnostic exams of the heart and blood vessels. Echocardiographers and Vascular Technologists practice in a variety of settings including hospitals, diagnostic centers, doctors offices, contract services, self-employment, sales, education, and research. The Advanced Technical Certificate Program is a condensed version of the A.A.S. option taking into account the students prior experience and training in allied healthcare. This program utilizes the same clinical sites all around the greater Houston - Galveston area. Graduates of this program may also earn their credentials by taking the national registry exam offered by the American Registry of Diagnostic Medical Sonographers (ARDMS).

**This program is accredited through the Joint Review Committee for Diagnostic Medical Sonography (JRC-DMS) which is under the umbrella of the Commission on Accreditation of Allied Health Education Programs (CAAHEP).**

## I. Admission Requirements: Application Deadline October 15. Please contact the DCVS Department to obtain an official packet.

A. To be considered for admission to the Diagnostic Cardiovascular Sonography Program in the Advanced Technical Certificate option, the applicant must:

1. Be a high school or GED graduate and provide copies of transcripts (if High School graduate within the past five (5) years)
2. Apply to ACC and fulfill the college admission requirements, including THEA or equivalent.
3. Complete the application to the Diagnostic Cardiovascular Sonography Program and interview with the Program Director.
4. Submit official transcripts of all previous college work to both the program and the admissions/Registrar's Office.
5. Have an Associates degree or higher in an allied healthcare related field from an accredited institution with demonstration of program pre-requisites of: ENGL 1301, BIOL 2401, BIOL 2402, MATH 1314, PHYS 1401 or Allied Health Physics course. A&P credits must be within the past 5 years. If you're A&P is expired please choose from the following options:
  - a. Re-take A&P II (which includes the heart and blood vessels)
  - b. Take the A&P renewal test (from the office of academic advising) to determine if you still have that knowledge
  - c. Take DSAE 2303 Cardiovascular Concepts prior to enrollment in the program. (Offered every summer)
6. Demonstrate understanding of the responsibilities, personal qualities, duties and skills required by the profession through a professional observation. A minimum of 4 hours of observation in both Echocardiography and Vascular Technology is required.
7. Upon acceptance, complete a physical examination including chest x-ray, TB skin test, and verification of immunization status **Must have all three (3) HEPATITIS B shots by January 15th to be accepted into the program.**
8. Not currently on suspension or academic probation from ACC or any other college.
9. Submit two (2) letters of references.
10. Once accepted, pass a criminal background check and drug screen.

B. Transfer and non-traditional students must:

1. Meet the above criteria
2. Have a cumulative GPA of 2.0 or higher on all courses being transferred to the DCVS program.
3. Provide program and Registrar's Office with official transcripts from each prior institution.
4. Provide the DCVS program with a course description or syllabus for each course being considered for transfer.
5. Not currently on suspension or academic probation from another college.
6. Credit may be awarded for support courses equivalent to these included in the DCVS program as determined by examination of the syllabus of the transfer course. A grade of C or better must be achieved for transfer courses.
7. Transfer students must complete a minimum of 12 credit hours at ACC to be awarded a Certificate from this institution.

## II. Alternate Enrollment:

A. Practicing Echocardiographers and Vascular Technologists who wish to earn an Advanced Certificate.

1. This option applies to those who are registered in Echocardiography or Vascular Technology with at least 2 years of experience and would like to earn the Advanced Certificate.
2. DCVS program courses may be challenged in sequence. Credit is awarded by examination. Admission requirements and pre-requisites are still required.

B. Former ACC DCVS program graduates who wish to cross-train:

1. Must be graduates of ACC - DCVS
2. Must be registered in either Echo or Vascular
3. Must apply by October 15th
4. Number of openings is dependent upon current student volume in regular programs.
5. Graduates who are registered and would like to cross-train without entering the full A.T.C. program may take the lecture and lab courses in sequence.

C. DMSO 1210 - Introduction to Sonography may be taken by any student who wishes to gain more information about the profession **prior** to being accepted into the program.

## III. Progression Policies: See A.A.S. program

# Diagnostic Cardiovascular Sonography Advanced Technical Certificate Degree in Pediatric Echocardiography

**Degree:** Advanced Technical Certificate Degree in Pediatric Echocardiography

**Length:** 18 months, New program begins each spring in January.

**Purpose:** The Diagnostic Cardiovascular Sonography Program offers a one and a half year curriculum to prepare those who already have experience in adult echocardiography and a prior degree in healthcare for a career in Pediatrics which is a highly specialized branch of Diagnostic Medical Sonography. **This is not an entry-level certificate. It is above and beyond the healthcare degree the student already has.** Upon graduation, students will possess the skills necessary to perform ultrasound and related diagnostic exams of the pediatric heart patient. Pediatric Echocardiographers practice in a variety of settings including hospitals, diagnostic centers, doctor's offices, contract services, self-employment, sales, education, and research. The Advanced Technical Certificate Program is a condensed program taking into account the student's prior experience and training in allied healthcare and adult echocardiography. This program utilizes clinical sites all around the greater Houston-Galveston area. Graduates of this program may also earn their credentials by taking the national registry exam offered by the American Registry of Diagnostic Medical Sonographers (ARDMS).

Currently, there is no programmatic accreditation for pediatric echocardiography programs in the country. This is the first program of its kind in the state of Texas. ACC will be working with the Joint Review Committee for Diagnostic Medical Sonography (JRC-DMS) which is under the umbrella of the Commission on Accreditation of Allied Health Education Programs (CAAHEP) to begin to develop accreditation standards for this branch of Sonography.

## I. Admission Requirements: Application Deadline October 15

A. To be considered for admission to the Diagnostic Cardiovascular Sonography Pedi Echo Program in the Advanced Technical Certificate option, the applicant must:

1. Be a high school or GED graduate and provide copies of transcripts and diploma if a high school graduate within the past 5 years.
2. Apply to ACC and fulfill the college admission requirements, including THEA or equivalent.
3. Complete the application to the Diagnostic Cardiovascular Sonography Program and interview with the Program Director.
4. Submit official transcripts of all previous college work to both the program and the admissions/records office.
5. Have an Associates degree in an allied healthcare related field from an accredited institution with demonstration of program prerequisites of: ENGL 1301, BIOL 2401, BIOL 2402, MATH 1314, PHYS 1401 or any Allied Health physics course. A&P credits must be within the past 5 years. If you're A&P has expired please choose from the following:
  - a. Re-take A&P II which includes the heart and blood vessels.
  - b. Take the A&P renewal test from the academic advising office to determine if you still have the knowledge.
  - c. Take DSAE 2303 Cardiovascular Concepts prior to enrollment. Offered every summer.
6. Demonstrate understanding of the responsibilities, personal qualities, duties and skills required by the profession through a professional observation. A minimum of 4 hours of pedi echocardiography are required.
7. Upon acceptance complete a physical examination including chest x-ray, TB skin test, and verification of immunization status including documentation of all 3 Hepatitis B shots.
8. Not currently on suspension or academic probation from ACC or any other college.
9. Submit two (2) professional letters of reference on letterhead with current date, phone number, and signature.

B. Transfer and non-traditional students must:

1. Meet the above criteria.
2. Have a cumulative GPA of 2.0 or higher on all courses being transferred to the DCVS program.
3. Provide program and registrar's office with official transcripts from each prior institution.
4. Provide the DCVS program with a course description or syllabus for each course being considered for transfer.
5. Not currently on suspension or academic probation from another college.
6. Credit may be awarded for support courses equivalent to these included in the DCVS program as determined by examination of the syllabus of the transfer course. A grade of C or better must be achieved for transfer courses.
7. Transfer students must complete a minimum of 12 credit hours at ACC to be awarded a Certificate from this institution.

## II. Alternate Enrollment:

A. Practicing Pediatric Echocardiographers who wish to earn an Advanced Certificate.

1. This option applies to those who are registered in Pedi Echocardiography with at least 2 years of experience and would like to earn the Advanced Certificate.
2. DCVS program courses may be challenged in sequence. Credit is awarded by examination. Admission requirements and pre-requisites are still required.

State of the art programs such as Pediatric Echocardiography are offered at Alvin Community College.

# Drafting Technology Degree Program

281-756-3784

**Degree:** Associate of Applied Science (A.A.S.) – Tech Prep

**Length:** Four semester (Two-Year) Program

**Purpose:** The student who pursues the Drafting Technology curriculum will encounter a series of courses that cover the principles of architectural, piping, mechanical, and civil computer aided design and drafting. Students are also provided with an extensive hands-on laboratory experience in the discipline explored in each class. This well rounded educational experience, on state of the art equipment and software, affords an opportunity for students to explore specialized areas with the necessary qualifications for employment as entry-level drafters.

**Program Requirements:** As an essential member of the technician-engineering team, students should be mechanically, artistically or technically oriented and possess good computer skills.

## Drafting Technology Certificate Program

**Length:** Two semester (One-Year) Program

**Purpose:** The one-year program prepares the student for entry into the drafting occupation.

**Program Requirements:** A minimum of 33 hours is required for this certificate.

Course Number	Course Title	Lecture Hours	Lab Hours	Credits
<b>First Semester</b>				
DFTG 1315 or DFTG 1325	Architectural Blue Print Reading or Blue Print Reading and Sketching	3	1	3
DFTG 1405	Technical Drafting	2	6	4
DFTG 1409	Basic Computer-Aided Drafting	3	3	4
Elective	College Elective	3	0	3
TECM 1303	Technical Mathematics	3	1	3
		14	11	17
<b>Second Semester</b>				
DFTG 1433 or DFTG 2423 or DFTG 1417	Mechanical Drafting or Pipe Drafting or Architectural Drafting- Residential	2	4	4
DFTG 2430 or MCHN 1419	Civil Drafting or Manufacturing Materials and Processes	2	4	4
DFTG 2419	Intermediate Computer-Aided Drafting	2	6	4

Cherilin Saladrigas, an ACC graduate, instructs her Kindergarten class in one of ACC's new facilities.

## Emergency Medical Technology Program

281-756-5640

**Degree:** Associate of Applied Science (A.A.S.) - Tech Prep

**Length:** Four Semesters

**Purpose:** The Emergency Medical Technology (EMT) curriculum includes a combination of class lectures, skills training and clinical training in hospital and ambulance settings. Program meets Texas Department of State Health Services (TDSHS) requirements for certification eligibility, and successful students may take the TDSHS Emergency Medical Services Examination for Certification. Students must meet departmental standards to take the TDSHS certification examinations. A fee is charged by the TDSHS for certification examinations. There may also be additional charges for field experiences. The basic EMT program is designed for persons in the emergency health care field, such as ambulance personnel, safety engineers, industrial nurses, rescue squad workers, child care personnel, policemen and firemen, as well as anyone who supervises or is responsible for the safety and well-being of a number of people. The Department of Emergency Medical Technology adheres to the curricula set forth by the U.S. Department of Transportation, the Texas Department of State Health Services, the American Heart Association, and the National Basic Trauma Life Support Association.

Components of the curriculum include anatomical and physiological functions and dysfunctions, treatment modalities, rescue, management, Advanced Cardiac Life Support, Basic Trauma Life Support, and ethical-legal responsibilities.

### Student Objectives

1. Demonstrate the knowledge base and skills necessary for pre-hospital emergency medical care and management.
2. Utilize the knowledge and skills principles to provide emergency medical care in the pre-hospital setting.
3. Utilize communication skills to establish and maintain effective interpersonal relationships in the aspects of emergency medical care.
4. Assume responsibility for continuing education to maintain professional education and competency.
5. Assume legal, ethical, and professional accountability.
6. Participate as a member of the emergency medical services community in providing pre-hospital care, development, and education.
7. Successfully pass the Texas Department of Health registry examination for certification in the field of emergency medical services.

### Program Requirements

Qualified applicants will be admitted according to space available each semester. To be considered for admission to the EMT Program, applicants must:

1. be admitted to ACC for the EMT program (through Office of Admissions & Academic Advising);
2. complete an application in the EMT office and provide copies of any current certifications;
3. be potentially eligible to write the Texas Department of State Health Services certification exam upon successful completion of the program. Note: *Applicants convicted of a felony and/or misdemeanor offense may or may not be eligible to write the state exam.*
4. be 18 years-of-age or older;
5. pay the Texas Department of State Health Services registry application fees and all other associated fees.
6. purchase appropriate clinical attire and equipment.
7. purchase student liability insurance annually (subject to rate applicable at time of registration);
8. complete a physical examination which includes TB skin test and immunizations upon enrollment in the program.
9. have current basic CPR certification for health professionals dated within one year prior to the course starting date; and
10. adhere to clinical sites and times as arranged by the College and its affiliates. (Sites and times are subject to change without notice.)

### Student Accountability

1. Students are responsible for their transportation to and from the clinical facilities.
2. Students will abide by the EMT curriculum requirements in effect at the time they are accepted into the program.
3. No grade below a "B" in an EMT or "C" in an academic course will be acceptable for progression.
4. Students must complete the program within five years after initial acceptance.
5. Several Saturday departmental training and evaluation sessions are scheduled during the semester.

# Management Development Degree Program

281-756-3812

**Degree:** Associate of Applied Science (A.A.S.)

**Length:** Four-Semester (Two-Year) Program

**Purpose:** The management development program prepares individuals for career occupations in the field of general management development. The objective of the program is to develop management skills and allow the student a chance to utilize these skills at an approved work station.

**Program Requirements:** The management development curriculum contains a core of required courses including nine (9) management/human resources courses, three semesters of cooperative education, general education courses, and a recommended list of electives. (This degree may be attained completely on-line)

## Associate of Applied Science Degree Program

Course Number	Course Title	Lecture Hours	Lab Hours	Credits
<b>First Semester</b>				
BMGT 1327	Principles of Management	3	0	3
BMGT 1382	Cooperative Education - Business Administration & Management, General I	1	20	3
