GENERAL SCHOLARSHIP INFORMATION
The Alvin Community College Process Technology Scholarship is provided for students who seek an education to obtain permanent employment in the industries that use and control mechanical, physical, or chemical processes to produce a final product. These scholarships are for students who are currently enrolled or are planning to enroll in the Process Technology two-year degree program.

APPLICANT ELIGIBILITY
- The Process Technology Scholarship award is primarily based on scholastic performance. The minimum application criterion is a 2.5 grade point average.
- Once awarded, the recipient must maintain a 2.5 grade point average and remain in good standing in the Process Technology program.
- Students will be required to submit college letters and transcripts verifying grades and attendance at the end of each semester and/or school year in order for monies to be released for the upcoming semester.
- The applicant must be a Process Technology major.
- The applicant must be a current legal resident of the United States to apply for this scholarship.

APPLICATION PROCEDURE - Read Carefully and Follow the Instructions
To be considered for a scholarship award, your application must be received by the deadline and accompanied by the following attachments. Your application will not be considered unless all required documentation is included with the application.

ATTACHMENTS:
1. Official high school transcript or a copy of G.E.D. certificate if not enrolled at ACC.
2. Official college or technical training transcripts through most current semester completed if not enrolled at ACC. Please allow sufficient time before the scholarship application deadline for transcript(s) to be processed.
3. Completed degree plan signed by College Counselor or Advisor (for students not currently enrolled at ACC).
4. Three letters of recommendation. Letters from employers or instructors must be on letterhead. Letters should include phone number of sender and reflect evidence of good interpersonal and team skills. Mailing of reference letters separate from your application may delay or disqualify consideration of your application. Recommendation letters should be from the following: former/current employer(s): 1-2 letters; former/current instructor(s): 1-2 letters; and personal reference: 1 letter
