Dear Potential Dual Credit Student,

Thank you for your interest in the ACC Dual Credit Program. Below is your enrollment timeline.

**January-February 2015  
Course Selection**

When completing your course selection for high school, select the college courses you would like to take. Keep in mind that you can only take 2 college courses per semester, unless you have a cumulative ACC GPA of a 3.0 or a high school GPA (with no college) of an 85 or higher. Visit with your high school counselor or dual credit advisor if you have questions. College courses should be denoted with a (D or DC) next to them so that you know it is a college class.

**February-April 30th 2015  
ACC Application/TSI Testing/Early Admission Contract (EAC)**

All students taking a college course for the first time must take the TSI exam, meet an exemption, or qualify for a waiver. If you need to take the TSI exam, it will be available here at ACC (open to all students applying to ACC), Pearland HS (PHS students only), Turner CCHS (any PISD student), Manvel HS (any AISD student), and Alvin HS (any AISD student). Below are the links available for testing. Ask your dual credit advisor or high school counselor for assistance with registering for the exam. Your dual credit advisor can help you with determining if testing is needed.

Students should also complete the ACC Admission Application and Early Admission Contract during this time. **Note:** Students requiring accommodations should contact the ACC ODS at 281-756-3533 and test at ACC.
