A.C.C. Science Scholarship Requirements

Science Institutional Scholarships for returning Full-Time Students
A. Student must be enrolled in at least twelve hours per semester at ACC at the time of application.
B. Student must be following an associate degree plan. (Degree plan on file)
C. Scholarship will be awarded to students who have demonstrated academic excellence. Applicants should have a GPA of at least 3.0 on all college work.
D. Students who are to remain on scholarship after their first semester must maintain a cumulative grade point average of 3.0 or better and complete at least twelve hours during the previous semester with no grade lower than C; these same requirements hold for the semester that the scholarship is utilized.
E. A student’s financial need will not be a factor in determining eligibility for scholarship.
F. At the time of application the student must have completed 12 hours of college work at ACC and the student must be enrolled in or completed an additional 12 hours when the scholarship is in effect. These 24 hours must include at least 8 hours of science course work at ACC.
G. Students must be enrolled in at least 4 hours of a science course (Biology, Chemistry, Geology, or Physics) during the semester in which this scholarship is utilized.

In addition to the above criteria, Science Scholarships at A.C.C. are administered in accordance with the “Requirements and Procedures for Awarding and Renewing Alvin Community College Institutional Grants and Institutional Scholarships”, guidelines of the A.C.C. Scholarship Committee.
