What is your action plan for Academic success (attach another sheet if needed)?

\_\_\_\_\_

My greatest obstacle to overcome this semester is \_\_\_\_\_

My cumulative GPA is \_\_\_\_\_

To improve my cumulative GPA to at least a 2.0 by the end of the semester, I must earn a semester GPA of \_\_\_\_\_ on \_\_\_\_\_ hours. If reaching a 2.0 cumulative GPA is not possible in one semester, you will need to achieve a semester GPA of \_\_\_\_\_ for next \_\_\_\_\_ number of semesters to achieve a 2.0 cumulative GPA (**attach printed calculations**).

**To be completed with the Dept. Chairperson of your program or an Academic Advisor**

With my goal of returning to good academic standing at Alvin Community College, I will:

- Meet with the Division/Dept. Chairperson of my program (technical/vocational programs only) or an Academic Advisor (academic programs only), now and at the end of the following semester.
- Complete and pass all of the classes that I enroll in each semester, and maintain a 2.0 cumulative GPA. "W"s, "I"s, "R"s, and "F"s are not considered complete or passing grades. Future aid will be cancelled if I do not complete and pass all classes.
- Commit myself to studying a minimum of \_\_\_\_\_ hours per week, including \_\_\_\_\_ hours per week in the library (or other optimal study environment). Since I am taking \_\_\_\_\_ credit hours this semester, I should be studying approximately \_\_\_\_\_ hours each week (number of credit hours X 2).
- See assistance at the Learning Lab for the following courses: \_\_\_\_\_
- Meet with my professors for the following courses: \_\_\_\_\_
- Retake the following courses \_\_\_\_\_
