

# ACC LIBRARY

The Library is dedicated to providing information access to students, faculty, staff and community members. Our commitment provides you with:

- Friendly and personal service
- In class bibliographic, research and informatics instruction
- Focused instruction designed to fit your class
- Citation assistance
- 11, 000 books, 30,000 E-books, 80 databases
- Expanding research capabilities and access to digital books
- Comfortable study areas with private study rooms
- 24 desktop PC's available with internet access, Microsoft Office suite, printing and scanning
- 24-hour electronic database accessibility and research help and training

## Texshare Databases

Texshare Databases are authoritative, ad-free, and available 24/7. The Texshare Databases are electronic resources licensed for the exclusive use of Texas libraries and their patrons. Start with Texshare for research help, health or business information, academic journals, popular magazines, genealogy, or job and career development.

## Ebsco

EBSCO offers a broad range of full text and bibliographic databases designed for research across a vast number of subject areas.

## Credo Reference

Reference is the foundation of research. Credo enhances the research experience by combining authoritative reference content with a one-stop exploratory search platform that drives usage of all trusted library resources.

- Visually shows relationships between topics
- Included Topic Pages for easy starting points and pathways for further research
- 700 highly-regarded titles
- Thousands of easily searchable images, audio files and videos
- Access to hundreds of in-depth encyclopedias and handbooks
- Includes authoritative content from over 100 publishers

## InfoLit Modules

The InfoLit Modules provide high quality, ACRL-aligned instructional materials to help deepen the quality of student instruction on research strategies and techniques. With 60 high-quality videos, tutorials, and quizzes, the InfoLit Modules are ideal for supplementing existing lessons, for 'one shot' information instructional sessions, and for addressing gaps in classroom or online teaching.

- Ready-made materials free up classroom time for subject-specific instruction
- Consistent baseline materials easily scale across multiple courses or campus wide
- Customize modules to specific courses without sacrificing consistency

## Online Catalogs

The online catalog allows you to easily and efficiently find any of the 11000+ books that we have here in the library.

## Printing, Copying & Faxing

All services are available for a modest charge.

## Webinars & Help Guides

Webinars and help guides are available for you to use at your convenience.

## Reserves

We also have Reserve items which are books and materials for specific classes that you as instructors provide and we make available for 2 hours at a time. These items must stay in the library.
