

Management Development

Program Description

Do you thrive in team-oriented environments where critical thinking and problem solving are valued? If so, a career in Management Development may be for you. At Alvin Community College emphasis is placed on preparing students for successful careers in entry-level management positions or advancement in an already established career. Students develop technical, marketing, organizational and behavioral management skills.

Career Opportunities

Management Development graduates enjoy diverse opportunities in the U.S. and around the world. Graduates work as store managers, sales representatives, office managers, management support, supervisors and human resources representatives. According to www.onetonline.org the average salary in this field can range from \$35,000 - \$80,000 in Texas.
