Fall 2017 Final Grades

Your ACC Final Semester grades will be posted in [WebACCESS](#) and should be available to view on December 12th. If you need assistance logging into [WebACCESS](#), contact the ACC IT Help Desk 281.756.3544 (remember, ACC will be closed after Dec. 13th).

If you have questions about your posted grade, contact your professor directly. Your ACC Advisor will not be able to assist with grade conflicts; you must contact your professor.

Course Grade Appeal

Students have one year from the date of the assigned grade to submit a grade appeal. View the [ACC Catalog](#) pg. 30 for more information.

ACC Dual Credit College Academic Standards for Participation

The college cumulative GPA will be calculated at the completion of each semester. Students whose college cumulative GPA is below 2.0, will be suspended from taking additional dual credit classes for one long semester (Fall or Spring); however, a student may retake only the course they've earned a 'F' or 'D' in during the semester of suspension. Students can be reinstated the following semester. After completing classes during the reinstated semester, if the semester GPA remains below 2.0, future participation in the Dual Credit program will be prohibited.

Students must earn a C or higher in Foreign Language Classes prior to moving to the next level.

Students must earn a passing grade in English, Math or Science to continue into the second half of the class in the spring. Your ACC Advisor will review final grades to determine if you are eligible to take the second half of the class this spring.

Students that have not meet these academic standards will be contacted when we return in January and will receive a schedule change.

REMINDER: Rented Textbooks are due January 5th!
