Blackboard Support:

Students can easily receive help 7 days a week until 8:00 P.M. by completing the [Online Support Form](#). The form is conveniently located on the log in screen for Blackboard and on the course menu inside each class in Blackboard. Completing the form for support allows us to track areas where help is needed most and also allows us to solve problems in a faster, more efficient way. Help us spread the word that this is **THE PRIMARY WAY** to receive Blackboard support from now on. I hope this will offer you a faster solution to the Blackboard issues that you might encounter.
