Fall 2018 Withdrawal Deadline: November 13, 2018

Withdrawing from a Dual Enrollment college course is a two-step process:
The student **MUST**:

- 1) meet with the high school counselor to complete the high school course withdrawal and;
- 2) meet with the ACC advisor to complete the college course withdrawal

Before making the decision to withdraw:

- Meet directly with your professor to discuss any concerns that you are having.
- Review your [course syllabus](#) and determine if you still have an opportunity to be successful in the class.
- Attend tutorials! Remember there is FREE Tutoring available in the [ACC Learning Lab](#). [Click here](#) to learn more.
- Have you submitted all of your assignments? Ask if there are assignments that you can still submit to help get caught up (not guaranteed, but it's worth asking).
- There is no refund for the course. You've already paid for it. If you still have an opportunity to be successful in the course, don't give up! Put in the work and finish strong.
- Withdrawing will give you a 'W' on your college transcript. By law the 'W' will not count against dual enrollment students however you still don't want the receiving institution to see a lot of 'W's' on your transcript.

WARNING!

- Withdrawing from Dual Enrollment courses may affect high school graduation. Students who wish to withdraw from courses taken on the Alvin Community College campus must meet with an ACC advisor to officially withdraw. A student who does not officially withdraw will be considered enrolled which will result in receiving a failing grade in the course; the failing grade then becomes part of the official college transcript.
