**ALVIN COMMUNITY COLLEGE
MAINTENANCE & OPERATIONS BUDGET
ACADEMIC YEAR 2018-2019**

**Office of the President
Dr. Christal M. Albrecht
September 2018**

The College began the development of the proposed 2018-19 budget in Fall 2017 with an all campus meeting to discuss budget assumptions followed by a meeting with the Planning and Assessment Council (PAC). The PAC is a broad-based membership council and serves as the principal resource allocation and planning and assessment organization for ACC's institutional effectiveness efforts. Under the leadership of the President and assisted by the Co-chairs of the PAC (Executive Director of Continuing Education and Workforce Development and the Vice President of Administrative Services), the PAC provides the leadership for ACC's institutional effectiveness system including strategic planning. In so doing, the Council ensures that ACC's mission statement reflects our College's values, purpose and direction so that ACC may better serve its students and communities. The strategic planning system also addresses ACC's performance in an accountable way so it may demonstrate the College's commitment and success in providing quality programs for our students.

Initial budget requests were due to the Executive Leadership Team (ELT) at the end of March, 2018. In March, two day-long sessions of budget presentations were held wherein requests for new personnel, equipment and any items related to the 2016-2021 Strategic Plan were presented to the Planning and Assessment Council (PAC) by various college departments. During the presentations to the PAC, the employees from across the college presented their budget requests with justification for needs. Each presentation was scored based on a 25 point rubric with criteria including Health and Safety, Accreditation, Immediacy, Level of Impact and ACC's Operating Plans and Breakthrough Strategic Goals. Scores were tallied and subsequently ranked from highest score to lowest.

By mid-April, 2018, the rankings were presented to the ELT for discussion and consideration. The ELT prioritized the budget items for personnel. Due to the need to reserve as much money as possible to fund payments for the proposed maintenance tax notes, no equipment purchases were recommended for inclusion in the M & O budget. If possible, some equipment purchases may be funded through the general services fee.

Initial budget discussions with the Board occurred at the June, 18, 2018 Budget Workshop. The budget was subsequently discussed at the June 28, 2018 Board meeting and at the July 16, 2018 Budget workshop. The Board approved the budget during the August 16, 2018 meeting, proposed a tax rate of 0.187775, which is a tax increase of 6.85% above the effective tax rate, and adopted that tax rate during the September 20, 2018 meeting.

Included in the \$32,922,206 dollar budget is a Step increase for eligible employees, a 1.0 % across-the-board salary table adjustment, longevity pay beginning at year 15 rather than year 20 and a 2% salary adjustment for nine month faculty teaching courses in the summer. One new position was approved (Environmental Supervisor), and two vacant faculty positions were

repurposed. One was repurposed to a Health Information Technology faculty position and the other to a Texas Department of Criminal Justice advisor. As in the past, \$150,000 was directed to the institutional reserve. The bulk of the increase in the budget was allocated to fund the \$25 million maintenance tax note payment of approximately \$1.7 million, which will be paid each year for 20 years. The overall increase in the budget over the 2017-18 budget is 5.7% and with the increase due to the maintenance tax note removed, the overall increase in the budget is 2%,

Over the last year, Alvin Community College achieved many successes. Here are a few of the highlights:

General Highlights of the Year:

- The Fall began with a rocky start when Hurricane Harvey struck the area one week after the start of classes causing the college to close for 10 days. In spite of losing students who had to drop out or reduce the numbers of courses taken, we had our highest enrollment at census date. The drop date was extended due to the number of students impacted and ultimately our contact hours dropped by about 5%.
- In October, 2017, ACC was notified that it had been selected as one of the Aspen Institute Top 150 Colleges in the nation. This is the fourth time that the college has been named to the list.
- As of the mid-point of the year, progress on the 2016-2021 Strategic Plan was on target with 58% of the 2017-18 projects completed and 33% of projects for 2018-19 completed. By May 31, 2018, 88% of the projects had been completed.
- Follow-up information to the fifth-year accreditation report for the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) was submitted on four criteria in September 15, 2017. In December, 2017, SACSCOC notified us that three of the criteria were satisfied and additional work was only required on 3.3.1.1. The requested information was gathered over the spring and summer 2018 semesters and was submitted to SACSCOC in early September, 2018.
- The ACC Community Advisory Committee, originally convened in September 2014, continues to meet regularly to discuss issues facing the college. The committee is made of business leaders, taxpayers, elected officials, community members and educators. Recent activity included a presentation on the petrochemical industry by David King from INEOS, discussion on Career Pathways and Marketable Skills and a hands-on demonstration of Career Coach, a software that helps students choose a pathway and a career that best suits them.
- There were a record number of Dual Degree graduates this spring with 158 students receiving their Associate Degree before receiving their high school diplomas.
- Student persistence (fall to spring) increased 2 percent over five years, student retention (fall to fall) increased 5 percent over five years, the number of certificates awarded increased 18 percent over five years, and the number of degrees awarded increased 37 percent over 5 years.

- Alvin Community College posted excellent pass rates on state and national certification/licensure exams. For the 2016-17 year, the percentage of students passing the exam is as follows (those with an * are from 2015-16 year):

Nursing (ADN)	95%
Nursing (LVN)	100%
Paramedic	79%
Respiratory Care	95%
Polysomnography	100%
DCV Sonography	100%
Electroneurodiagnostic	100%
Pharmacy Technician	100%
*Substance Abuse Counseling	100%
*Criminal Justice/Police Science	100%

- The Foundation issued more than \$ 179,000 in scholarships, staff development and more. The Foundation awarded more than \$60,000 in scholarships to students at area high schools this year. The Gala set a new fund raising record.
- In January 2017, ACC started its own food pantry from donations of non-perishable goods from faculty and staff. The pantry may be accessed by any student or employee in need. In January 2018, ACC, in cooperation with the Houston Food Bank, opened an extension Food Bank on campus to serve students who receive Pell grants with an Estimated Family Contribution of \$0. Students may shop in the Food Bank two times a month and obtain 120 pounds of food including meat, fruits, vegetables and dry goods.
- In response to Hurricane Harvey, over \$60,000 was raised to assist faculty, staff and students impacted by the storm. Donations came to us from Howard College in West Texas in the form of food, money and new laptop computers. A system to access the emergency funds was established and gift cards were supplied to those in need. Some funds were also used to buy books and pay tuition for students in need.
- A grand opening for the Women's Field House was held in January 2018. The project was two years in the making and is a much appreciated addition to the Women's Softball program.
- Over \$1.4 million grant dollars were received in support of community education efforts such as the Department of Education Upward Bound grant.
- Nearly a half million dollars of instructional and support services grants were received including a \$94,000 Texas Higher Education Nursing Shortage Reduction grant.

Faculty and Staff Awards and Recognitions

ALVIN COMMUNITY COLLEGE

2018-2019 Maintenance and Operations Budget

Office of Vice President, Administrative Services

Karl Stager CPA

August 24, 2018

STATE NEWS

The 2018-2019 proposed Maintenance and Operations Budget for Alvin Community College has no increase in the State Appropriation because it is the second year of the biennium. The State Appropriation for Fiscal Year 2018-2019 is \$7,930,935. Health Insurance premiums increased .5%, and dental premiums increased 4.49%. There will be interest in watching the State Legislature in Spring 2019 considering a Governor Abbot recommended 2.5% limit in yearly tax growth on local taxing entities.

LOCAL NEWS

The College's full-time Instructional and Administrative employee count in the proposed Maintenance and Operations Budget for Fiscal Year 2018-2019 is 275 compared to 274 for Fiscal Year 2017-2018. In 2018-2019, Alvin Community College will begin the development of a new program called Health Information Technology. Please see the Campus News section below for more detailed information about the local economy, and the effects of Hurricane Harvey.

The Certification of the 2018 Appraisal Roll from the Brazoria County Appraisal District shows that the Estimated Taxable Value has increased to \$10,020,331,054 compared to \$9,370,102,333 in July 2017. This is a 6.94% increase in the Certified Net Taxable Value over the past year. This translates into a significant estimated increase in tax revenue.

CAMPUS NEWS

The economy of the local area seems to be rising with the oil and gas prices. It is not uncommon for enrollments in community colleges to decrease when the rate of unemployment decreases. Alvin Community College had an enrollment increase of .9% in Fall 2017. Before Hurricane Harvey hit, the college was on track for a 4% growth in enrollment and a new highest fall enrollment. After the hurricane, many students dropped some of their classes or dropped completely. These drops caused the overall contact hours to fall by 5.1%.

The following economic news comes from the Dallas Federal Reserve Bank, Houston Economic Indicators report dated 5/29/18:

"Overall, the outlook for Houston remains positive. Recent job growth has been very strong and broad based, and the region is likely to receive a tailwind from continued strength in the U.S. and Texas economies. Local leading economic indicators suggest continued positive job gains the remainder of the year but at a somewhat slower pace."

"Houston jobs grew at a strong annualized pace of 4.7 percent over the three months ending in April (about 35,400 jobs). The biggest job gains were in professional and business services (11,000), while manufacturing (5,400)-propelled in part by rising oil and gas activity-logged the fastest growth rate. Education and health

services (5,000) rounded out the top three contributions to job growth. Job losses over that same period were focused in government jobs (1,400), particularly local government."

"Year-over-year growth was 2.7 percent in April (80,400), well above the metro's growth rate trend of about 2.1 percent. Professional and business services was far and away the growth leader over that time (30,000), followed by trade, transportation and utilities (14,000)."

"The unemployment rate in Houston was 4.6 percent in April, down 0.1 percentage points from March. This occurred amid healthy labor force growth, which has been trending up since January. In comparison, the April unemployment rate in Texas and the U.S. was 4.1 and 3.9 percent, respectively."

The slowly decreasing unemployment in the Houston area should mean eventual slowly decreasing enrollments for Alvin Community College. Currently, Summer 2018 compares to Summer 2017 as follows:

	Enrollment	Contact Hours
Summer 2018	3463	376,208
Summer 2017	3563	401,360
