# AWARDS & DISTINCTIONS

## **ACC/UHCL Co-Enrollment (2021)**

ACC also has an agreement that allows Nursing students to pursue a Bachelor's in Science of Nursing at UHCL one semester after completing their Associate Degree.

## **ACC is one of the Nation's Top Community Colleges (2021)**

For the fifth time, Alvin Community College is an Aspen Institute top 150 community college. ACC was selected based on student success in retention and completion, performance improvement, and performance of underrepresented minorities and institutions in low-income service areas.

## **Lifetime Achievement Award (2019)**

ACC received the Lifetime Achievement in Business Award during the Alvin Manvel Area Chamber of Commerce annual banquet on February 1. State Representative Ed Thompson presented the award which honored ACC's contribution to education and economic development.

## **Jobs & Education Program Grant (2019)**

The Texas Workforce Commission issued a \$243,556 grant to the Alvin Community College Associate Degree Nursing program for patient simulation. The funds will be used to purchase equipment to be used in patient simulation scenarios with an emphasis on interdisciplinary care. The grant was issued through the Workforce Commission's Jobs and Education for Texans program.

## **ACC & WGU Articulation Agreement (2019)**

ACC and Western Governors University Texas signed an articulation agreement during a ceremony on April 4. The agreement establishes a transfer protocol which provides a clear pathway for ACC students to pursue a Bachelor's Degree program at WGU. The agreement will also allow a reduced tuition for ACC graduates and staff members.

## **TWC Gives ACC Partnership Award (2019)**

The Texas Workforce Commission recently gave Alvin Community College the Partnership Award for Community College Engagement. The honor recognizes ACC's work with local employers to help meet the demands of a global economy and aligning workers skills with workforce needs.

## **National Science Foundation Biotech Grant (2018)**

ACC has been selected to take part in an environmental sampling research program funded by the National Science Foundation. The Foundation issued a \$2.1 million grant to the University of Houston's Biotechnology program that will involve five colleges and universities including ACC.

## **Upward Bound STEM Grant (2018)**

The ACC Upward Bound program received approximately \$40,000 in federal funding for Science, Technology, Engineering and Math (STEM) education. The funds will be used to increase STEM-related programs for Upward Bound students. The grant was issued by the U.S. Department of Education.

## **ACC Grant for Job Training Program (2018)**

Alvin Community College was one of three colleges in the United States to be awarded a grant from the American Association of Community Colleges and the Accenture LLP consulting firm to participate in a pilot program designed to improve a student's employability. The \$13,200 grant will help at least 1,000 ACC students participate in the online program called the Skills to Succeed Academy (S2S Academy).

## **Partners with University of Houston-Clear Lake Pearland (2017)**

ACC students can complete an entire associate's degree on the UHCL Pearland Campus and make a smooth transition into the university's bachelor's program. Students earning an Associate's Degree in General Studies, Psychology and Computer Information Technology can transfer directly to Bachelor's programs in Communication, Criminal Justice, Computer Science, Computer Engineering and Psychology.

## **Named a Hispanic Serving Institution by the US Department of Education (2016)**

ACC was one of 14 Texas colleges and universities to be awarded a Hispanic-Serving Institution (HSI) Science, Technology, Engineering and Mathematical (STEM) Grant by the U.S. Department of Education on Tuesday. The 5-year, \$3.8 million grant will assist ACC in providing more educational opportunities for Hispanic students as well as at-risk students in the STEM fields.
