ART

A.A. DEGREE

Open a World of Creative Possibilities with a Degree in Art

Are you interested in pursuing a career that develops your artistic and creative abilities? If so, a career in the Arts may be for you. Alvin Community College provides an interactive environment where you can gain experience in painting, sculpture, drawing, design, ceramics, art history and art appreciation.

ACC has a vast array of studios that provide opportunities for hands-on experience in several artistic specialties that include a 5,000 square foot

Career Opportunities

Art graduates have become book illustrators, medical illustrators, art therapist, fashion artists, cartoonists, animators, police artists, photographers, jewelry makers, graphic designers, art instructors, art directors, film illustrators, sculptors, potters and painters.

According to the Bureau of Labor Statistics, the job outlook for art and design occupations is expected to grow by 4% through 2026. In 2017, the median annual wage for arts and design occupations was \$45,250.

3-D ceramics studio and spacious and naturally lit 2-D studios. The ACC Art Department also offers a non-credit enrichment program. For more information about the enrichment program please visit the ACC Market Place (alvincollege.edu>marketplace).

To showcase student art, the ACC Art Department hosts art exhibits in our Fine Arts Gallery that enable students to market and display their work to the public.
