Topic: Workplace Conflict

Tonya Jefferson is a Business Management instructor who joined ACC last fall. With over a decade of experience in the industry, she brings a wealth of knowledge and expertise to her students. Her passion is to see students excel in every area of their life, both academically and personally. Tonya is dedicated to creating a supportive and inclusive learning environment that fosters critical thinking, collaboration, and growth. Her teaching philosophy centers around the belief that every student has the potential to achieve greatness, and she strives to inspire and motivate her students to reach their full potential.
