## ABOUT THE SPEAKER

The times they are a changin'! It used to be that when you said your hometown was Alvin, Texas, everyone thought of a certain... very famous and fantastic baseball player. Now, there is another name associated with the town where talent abounds.

Junior Gordon has spent most of his life in Conroe, TX but loves the handshakes on the sidewalks and the waves when you drive by feeling and has called Alvin home for 28 years. He loves being a part of the community where everyone knows everyone. Junior loves when the band has down time and spends the majority of that time fishing, hunting, making sure his wife and their seven children are involved in that downtime!

Junior Gordon began his trek to music in Alvin, but he is now seeing his fan base expand, his first Album "BIG" made that mark for him in the Texas country music scene. Along with the release of his next album "Made In The U.S.A.", which was released in September of 2016! Junior started his 3rd Album in 2020 and the pandemic hit and turned it into his first ever EP and released 6 singles. He has had 21 top 50 singles and 10 top 10 singles on the Texas Music Chart.

The Junior Gordon Band was nominated by The Houston Press for Best Country Music Band of the Year; Best Local Video of the Year and Junior himself was nominated for both the Local Musician of the Year and Best Male Vocalist! Music has carried him overseas several times, all across the states and allowed him to see many stages with many more to come.
