

ALVIN COMMUNITY COLLEGE

CONTINUING EDUCATION  
WORKFORCE DEVELOPMENT

# Explore the Local *Biotechnology Industry*

---

**Thursday, February 27**  
**6 p.m. | S-205**

---

Curious about a future in science or medicine but not sure where to start? Launch your career while you learn! Join us for an inside look at the Biotechnology field and ACC's Biotechnology program. Houston-area company representatives will be there to share current job openings and talk about career growth opportunities.
