

ACC ALVIN COMMUNITY COLLEGE

Engineering the Future Camp

June 16-19 | 8:30 a.m. - 12:30 p.m.

ENDRESS + HAUSER - 14517 Kirby Dr, Houston, TX 77047

Join us for hands-on fun, discovery, and STEM challenges designed just for kids ages 11-14. Led by real engineers and educators!

Camp Highlights:

- Rocket Launcher Challenge
- Telegraph & Morse Code
- Wind Turbine Build
- Hydraulics in Action
- Ocean Star Museum Tour
- *Plus cool giveaways for every camper!*

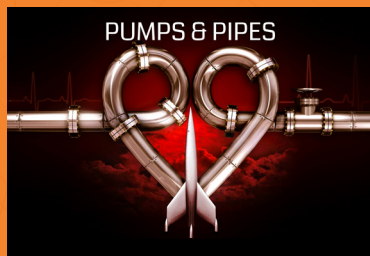

Limited to 30 explorers for a fun, focused experience!

Don't miss out on this one-of-a-kind adventure in engineering. Scan the QR code to sign up now!

Camp Cost: \$235 per child

\$100 scholarships for the first 15 students are provided by the Pearland Economic Development Corporation.

This Engineering Camp is made possible through our partnership with Pumps and Pipes, fostering hands-on STEM training with industry leaders.
