LEVEL UP AT ALVIN COLLEGE

WORKSHOP

INTRODUCTION TO

SOUND SYSTEM

FUNDAMENTALS

REGISTER HERE!

BEGINNER FRIENDLY. NO PRIOR EXPERIENCE IS REQUIRED.

Discover the essentials of live sound in this hands-on workshop. Learn how microphones, mixing consoles, speakers, monitors, and signal flow work together to create professional audio. Gain practical experience with both analog and digital systems, then put your skills to the test by mixing a live band!

MONDAYS
October 19 - November 23
6 - 8 p.m. | Band Hall (Room B-117)

REGISTRATION FEE
$100 (Materials included)

AGE GROUP
Ages 16 years or older
