

2022-2023 Independent Verification Worksheet

The U.S. Department of Education has selected your file for a process called "Verification." Alvin Community College will be comparing information from your application with your financial documents. If there are differences between your application information and the documents you submit, your application may need to be reprocessed. Your federal financial aid may not be available to you until all verification requirements have been met and necessary corrections have been made. This worksheet will be considered incomplete if there are missing documents. Your financial aid awards will be available via your POD account once the process is complete.
