GENERAL STUDIES

A.A. DEGREE

Figure Out Your Path with a Degree in General Studies

If you would like to explore a variety of study areas before committing to a degree or career path, ACC's Associate Degree in General Studies is an ideal option. Covering the basics of a college education, this program provides a broad variety of courses that will allow you to demonstrate the ability to work at a university level. Though it is designed for students who don't have a specific baccalaureate degree goal,

in some academic areas, this program may meet the requirements for more advanced study.

If you desire to continue your education at a four-year college or university, it is strongly recommended to consult with the receiving college or university about transfer of courses.

Pathways to Guide Your Career

ACC offers degrees and certificates in eight Career Pathways to help you reach your destination. We'll provide the roadmap, along with assistance at every turn to help ensure your success.

Save lives by becoming an Emergency Medical Technician. Start the next great company with a degree in Business Administration. Or, become the next Gordon Ramsay by enrolling in our Culinary Arts program.

What Will I Study?

As a General Studies student, you will take courses in the following subjects:

- Communication
- Mathematics
- Life & Physical Sciences
- Language, Philosophy & Culture
- Foreign Language
- Creative Arts
- American History
- History
- Government-Economics / Political Science
- Social and Behavioral Sciences
