

EBSCO Databases Help Sheet

1. Go to www.alvincollege.edu/library
2. Click on [The EBSCO and Cumulative Index to Nursing and Allied Health Literature \(CINAHL\) databases](#)
3. If prompted enter username: **texshare-0203** and password: **TSL_DoNotUpdate!23su**
4. If you're presented with this screen, scroll down and choose **EBSCOhost Web- All databases**

ALVIN COMM COLLEGE

5. Choose All EBSCO if you are presented with that option.

All EBSCO

EBSCO is the leading provider of research databases, e-journals, magazine subscriptions, e-books and discovery service to libraries of all kinds.

6. Select All and click Continue

Continue

☒ Select / deselect all **Note:** Selecting all databases for search may result in slow response time.

7. Choose Databases link then go back to step 6 and enter your search terms in this box

Notes:

8. Filter your results where you see red arrows, make the number at the green arrow smaller, click on the blue title and don't forget to cite!

The screenshot shows the EBSCOhost search interface. The search term 'business management' is entered in the search bar. The results show 'Search Results: 1 - 10 of 466,256'. A green arrow points to this number. On the left, the 'Refine Results' panel is visible. Red arrows point to the 'Limit To' section, specifically to the 'Full Text' checkbox, the 'References Available' checkbox, and the 'Scholarly Peer Reviewed Journals' checkbox. Another red arrow points to the 'Publication Date' filter, which is set to '1000' to '2016'. A third red arrow points to the 'Show More' link at the bottom of the filter panel. The search results list two items: 1. 'Business continuity 2014: From traditional to integrated Business Continuity Management.' and 2. 'How to Write and Publish A Scientific Paper: A Closer Look to Eastern European Economics, Business and Management Journals.'

The screenshot shows the 'Citation Format' options for the selected article. A red arrow points to the 'Citation Format' link. The options include APA (American Psychological Assoc.), Chicago/Turabian: Author-Date, Chicago/Turabian: Humanities, and Chicago/Turabian: Bibliography. The 'Chicago/Turabian: Author-Date' option is selected. The 'Export to Bibliographic Management Software' link is also visible.

The screenshot shows the 'Tools' menu with options: Add to folder, Print, E-mail, Save, Export, Create Note, Permalink, and Share. A red arrow points to the 'Cite' option.

Notes:
