Articles are available in different formats. If you plan to save the article, select the PDF version. On the left hand side, there are limiters available to help you reduce your search results.

The image shows a detailed record page for the article. On the left, there is a sidebar with options: 'Detailed Record', 'PDF Full Text', 'Source: Cognitive Behaviour Therapy', 'Date: September 1, 2018', 'Inside this work', 'Full Text Contents', 'Illustrations', and 'Choose Another Issue'. The main content area displays the article title, authors (Mostafa Jasbi, Dena Sadeghi Bahmani, Gholamreza Karami, Maryam Omidbeygi, Maryam Peyravi, Ailin Panahi, Jafar Mirzaee, Edith Holsboer-Trachsler, and Serge Brand), the journal name (Cognitive Behaviour Therapy), and the publisher (Routledge). Below the title, there is an abstract: 'Even 30 or more years after the end of a war, veterans can suffer'. On the right side, there is a vertical toolbar with icons for citation, download, and other actions, which is circled in red. A red arrow points to this toolbar.

Once you select an article, you will have several tools available including the citation tool.

Please contact your ACC librarians if you need additional assistance.
