## Access Our Databases

The Gale and ProQuest databases via the [TexShare Databases](#)  
Go here to access the online databases that we subscribe to! ProQuest, GALE, Opposing Viewpoints to name a few.

Click on [The Gale and ProQuest databases via the TexShare Databases](#) under [Access Our Databases](#).

If prompted to select a library and enter a password, use the following:

**Library: Alvin Community College**

**Password: TX77511**

You can access the **TexShare Databases** by clicking on [Resources A-Z](#) to see the list of databases in alphabetical order, [By Subject](#) to explore databases for a specific subject, and there are also databases available in Spanish by selecting [Recursos en Español](#).

TextShare Databases

Getting Started **Resources A-Z** **By Subject** For Academic Libraries **Recursos en Español**

Resources: A-Z

All Collections A B C E F G H J L M N P R T

Resources by Subject

All Collections Business Career and Job Skills Do-It-Yourself eBooks Education Resources Genealogy and History

General Reference Health and Medicine K-12 Resources Legal Resources Literature Resources Science and Technology

Once you select a database, you are ready to start researching your topic. Most databases will include the citation for articles in several formats (i.e., MLA, APA, Chicago). If you need assistance, please contact your ACC librarians. Contact information is located in the library webpage.
