ALVIN COMMUNITY COLLEGE QUALITY ENHANCEMENT PLAN

WHAT is the Quality Enhancement Plan (QEP)?

ACC's QEP, Success through Engaged Advising (SEA), targets advising to improve student success.

SEA focuses on students:

- Choosing a path
- Continuing on a path
- Completing a path

WHEN will the QEP begin?

The new advising process begins Fall 2020 for all new incoming students.

WHY has the QEP been created?

The QEP has been created to improve the quality of the student advising experience. It will aid students in choosing a career path, continuing successfully, and completing the path by obtaining a degree or certificate.

HOW will the QEP help me as a student?

The QEP will aid you by providing regular advising and faculty mentorship in your chosen career pathway.
