

**Alvin Community College**  
**Medication Aide to Vocational Nursing Bridge Program**

## **Eligibility Requirements**

- ❖ Meet all requirements for the Traditional VN Program
- ❖ Have current Med Aide certification from Texas Health & Human Services
- ❖ Have current Nurse Aide certification from Texas Health & Human Services
- ❖ Minimum of 6 months of experience as a CNA at a long-term care facility

## **Traditional VN Program Requirements**

- ❖ Be admitted to Alvin Community College
- ❖ Provide proof of prior education (GED, Diploma, or College Credits)
- ❖ Satisfy Texas Success Initiative (TSI) requirements
- ❖ HESI A2 exam scores - minimum of 70 in the Reading Comprehension section and 65 Cumulative score
- ❖ Hepatitis B vaccinations or immunity titer

## **Medication Aide to VN Bridge Program Structure**

- ❖ Classes begin each Summer semester
- ❖ First semester is 2 courses instead of 5 courses in the traditional VN program
- ❖ First semester theory courses are online; lab skills and check-offs are in-person at the ACC West location
- ❖ Students attend with traditional VN program students for the second and third semester courses held at the ACC Alvin location (in-person attendance required for all courses second and third semesters)
- ❖ May substitute BIOL 2401 & 2402 for VNSG 1420 Allied Health Anatomy & Physiology in the first semester (see restrictions in the VN instruction packet)

## **Course Fees and Expenses**

- ❖ First semester
  - CEVNSG 1071: \$1,300
  - VNSG 1420 Allied Health A&P In-district: \$465; Out-of-district: \$669
- ❖ Second semester courses: In-district \$1,920; Out-of-district \$2,685
- ❖ Third semester In-district \$2,550; Out-of-district \$3,400
- ❖ Additional expenses \$1,115 (see VN instruction packet for details)
